Vehicle Maintenance.

Celebrate more than a century of Harley-Davidson history with this definitive e-guide. Ultimate Harley-Davidson tells the story of the world's greatest motorcycle marque - from its origins in a backyard shed to the international company it is today. Gloriously illustrated gallery spreads showcase more than 70 of the best Harleys ever built, highlighting and exploring their defining features. Spectacular close-ups of key engines explain how the classic Harleys ran, while an updated catalogue of every production model provides technical data and key specs for each bike - including racing models, special one-offs, and limited-edition production runs. From the early bikes and their key innovations to the v-rods and sports bikes of recent years, it is the complete guide for lovers of this American classic. Whether you're an easy rider or born to be wild, there is only one Harley-Davidson, and this is the book for you.

Donny is the Winner of the 2012 International Book Awards. Donny Petersen offers the real deal in performing your Harley-Davidson Twin Cam. Graphics, pictures, and charts guide the reader on a

sure-footed journey to a thorough H-D Twin Cam performance understanding. Petersen's insight makes technical issues understandable even for the novice. Donny simply explains what unfailingly works in performing the Twin Cam. This is the second volume of Petersen's long-awaited Donny's Unauthorized Technical Guide to Harley Davidson 1936 to Present. This twelve-volume series by the dean of motorcycle technology examines the theory, design, and practical aspects of Twin Cam performance. Donny studied privately with Harley-Davidson engineers, having worked on Harleys for over 35 years. He founded Toronto's Heavy Duty Cycles in 1974, North America's premier motorcycle shop. Donny has ridden hundreds of performed Shovels, Evos, and Twin Cams across four continents doing all of his own roadside repairs. He has acquired his practical knowledge the hard way. Donny has the privilege of sharing his performance secrets the easy way. Donny will walk you through detailed performing procedures like headwork, turbo-supercharging, nitrous, big-inch Harleys and completing simple hop-up procedures like air breathers, exhausts, and ignition modifications. Donny Petersen feels honored to share the wealth of his motorcycle knowledge and technical expertise.
