Each review test book in this series is for use in conjunction with the corresponding ST(P) Caribbean maths book. The questions at the end of each chapter are designed to offer students the opportunity to check their mastery of the chapter. Each basic test consists of ten multiple-choice-type questions with four responses, and five questions for which reasoning needs to be shown. There are two tests on the content of some chapters for which extra testing seemed necessary. The majority of these basic tests should require 20-40 minutes, depending on the pupil's ability.
