A shocking read. Dan was a healthy university student when he started experiencing mild symptoms. The array of symptoms quickly got worse and Dan was finally diagnosed with terminal

cancer; he died within 17 days. It was a brave book to write and I hope it helped Anne Logan Huxtable in her grieving.

From prostitution to pregnancies to STDs, we see the true dark side of drugs they don't show you in school. There is something quite shocking about just how badly crack ruins lives. Unfortunately there is no happy ending to this story—six months after filming Boo Boo was still hooked on a \$200 a day habit, Dicky was imprisoned and, sadly, Brenda died.

17. In 2019 alone, the equivalent of nearly 6,650 centuries of porn was consumed on one of the world's largest porn sites. (Pornhub Analytics) 18. Eleven pornography sites are among the world's top 300 most popular Internet sites. The most popular such site, at number 18, outranks the likes of eBay, MSN, and Netflix. 19.

The attack was followed three days later by a second atomic bomb dropped on the city of Nagasaki, which killed at least 50,000 people, although according to some estimates as many as 74,000 died. Many of the survivors suffered symptoms of radiation sickness, which include vomiting, fever, fatigue, bleeding from the gums, thinning hair, diarrhoea and, in the worst cases, death.

At the hospital, doctors discover Dan has cancer all over his body

and he is given just a few weeks to live, which turn out to be only 17 days. His devastated mother copes admirably well, distraught but so courageous. My only quibble with this book is that I would have liked it to be longer, with more flashbacks to Dan's childhood and teenage years.
