1999 F-150 Power Windows - Ford F150 Forum

I completely lost all electrical power a few days ago. The battery is good (brand new and was just checked) My post connections are fine. I took off the battery connections to test the battery. When i went to hook the battery back up, a clicking noise began in the interior fuse box. It is a large fuse in the left hand side of the panel.

No electrical Power - Ford F150 Forum

Advanced power door lock management is a necessity now given today's complex automotive systems. The need to reduce vehicle weight has prompted these more complex module driven door lock circuits.
