"Popular online food blogger Tina Hupert shares her strategies for maintaining her weight and staying fit without all the stress and sacrifices"--P. [4] of cover.

After more than two decades of research activity, speech recognition has begun to live up to its promise as a practical technology and interest in the field is growing dramatically. Readings in Speech Recognition provides a collection of seminal papers that have influenced or redirected the field and that illustrate the central insights that have emerged over the years. The editors provide an introduction to the field, its concerns and research problems. Subsequent chapters are devoted to the main schools of thought and design philosophies that have motivated different approaches to speech recognition system design. Each chapter includes an introduction to the papers that highlights the major in-

sights or needs that have motivated an approach to a problem and describes the commonalities and differences of that approach to others in the book.

The international magazine of fine interior design.

Dessert First! is contemporary portrait and documentary photographer Hanna Quevedo's debut photobook. Dessert First! compiles Quevedo's often self-reflective, gloriously grainy, color film images from a decade she spent in the US exploring and encountering varieties of weirdness, beauty, and freedom. 146 pages, screen-printed cover, book elastic enclosure, includes 2 custom stickers.

Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the issues, the trends, and the events that define our city. The magazine informs, challenges, and entertains our readers each month while helping them make intelligent choices, not only about what they do and where they go, but what they think about matters of importance to the community and the region.
