Peanut Butter is a sad little fish. His best friend, Honey, just moved away. The two friends were perfect together, just like a

peanut butter and honey sandwich. Now Honey is gone, and Peanut Butter needs a new friend-but how will he find one? Peanut Butter sets out on a thrilling adventure deep in the ocean to find a new best friend. He starts his journey by seeking out only the most beautiful fish in the sea and rejecting all others. Along the way, he encounters colorful characters like sharks, an angelfish, a moon snail, and many more. Peanut Butter soon realizes that if he wants real friendship, he'll have to look deeper and discover the beauty within other fish. If he can do that, perhaps he'll finally find the perfect friend. Join Peanut Butter on his big adventure, and share in the discovery of a vibrant undersea community. More importantly, swim along with him as he learns about the importance of true friendship.

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior

to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Karen Carpenter was the instantly recognisable lead singer of the Carpenters. The top-selling American musical act of the 1970s, they delivered the love songs that defined a generation. Karen's velvety voice on a string of 16 consecutive Top 20 hits from 1970 to 1976 - including Close to You, We've Only Just Begun, Rainy Days and Mondays, Superstar, and Hurting Each Other - propelled the duo to worldwide stardom and record sales of over 100 million. Karen's musical career was short - only 13 years. During that time, the Carpenters released 10 studio albums, toured more than 200 days a year, taped five television specials, and won three Grammys and an American Music Award. But that's only part of Karen's story. As the world received news of her death at 32 years of age in 1983, she became the proverbial poster child for anorexia nervosa. Little Girl Blue is an intimate profile of Karen Carpenter, a girl from a modest Connecticut upbringing who became a Superstar. Based on exclusive interviews with nearly 100 friends and associates, including record producers, studio musicians, songwriters, television directors, photographers, radio personalities, classmates, childhood friends, neighbours, personal assistants, romantic interests, hairdressers, and housekeepers.'...thorough and affectionate biography of a singer who's been constantly undervalued by the music industry.' MOJO 'Schmidt cannot be faulted... carefully factual, sensitively pitched book.' The Word 'The first truly convincing account of her nightmarish story.' The Guardian

PROC REPORT by Example: Techniques for Building Professional Reports Using SAS provides real-world examples using PROC REPORT to create a wide variety of professional reports. Written from the point of view of the programmer who produces the reports, this book explains and illustrates creative techniques used to achieve the desired results. Each chapter focuses on a different concrete example, shows an image of the final report, and then takes you through the process of creating that report. You will be able to break each report down to find out how it was produced, including any data manipulation you have to do. The book clarifies solutions to common, everyday programming challenges and typical daily tasks that programmers encounter. For example: obtaining desired re-

port formats using style templates supplied by SAS and PROC TEMPLATE, PROC REPORT STYLE options, and COMPUTE block features employing different usage options (DISPLAY, ORDER, GROUP, ANALYSIS, COMPUTED) to create a variety of detail and summary reports using BREAK statements and COMPUTE blocks to summarize and report key findings producing reports in various Output Delivery System (ODS) destinations including RTF, PDF, XML, TAGSETS.RTF embedding images in a report and combining graphical and tabular data with SAS 9.2 and beyond Applicable to SAS users from all disciplines, the real-life scenarios will help elevate your reporting skills learned from other books to the next level. With PROC REPORT by Example: Techniques for Building Professional Reports Using SAS, what seemed complex will become a matter of practice. This book is part of the SAS Press program.

'Blown to Bits' is about how the digital explosion is changing everything. The text explains the technology, why it creates so many surprises and why things often don't work the way we expect them to. It is also about things the information explosion is destroying: old assumptions about who is really in control of our lives.

FIELD & STREAM, America's largest out-

door sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

Three of the world's greatest detectives, a renowned former FBI agent, a forensic sculptor and an eccentric profiler were distraught at the growing tide of unsolved murders. And so William Fleisher, Frank Bender and Richard Walter pledged themselves to a quest for justice. They invited the finest collection of forensic minds, drawn from five continents, to bring the coldest killers in the world to account. Named after the first detective Eugene Francois Vidocq, the Vidocq Society meets monthly to solve a cold case. This book brings to life a world of dazzling forensic science, evil as old as the Bible and at its centre a group of passionate detectives, inspired by their own wounded hearts to make a stand for truth, goodness and justice in a world gone mad.
