"Advances in Water Resources and Hydraulic Engineering - Pro-

ceedings of 16th IAHR-APD Congress and 3rd Symposium of IAHR-ISHS" discusses some serious problems of sustainable development of human society related to water resources, disaster caused by flooding or draught, environment and ecology, and introduces latest research in river engineering and fluvial processes, estuarine and coastal hydraulics, hydraulic structures and hydropower hydraulics, etc. The proceedings covers new research achievements in the Asian-Pacific region in water resources, environmental ecology, river and coastal engineering, which are especially important for developing countries all over the world. This proceedings serves as a reference for researchers in the field of water resources, water quality, water pollution and water ecology. Changkuan Zhang and Hongwu Tang both are professors at Hohai University, China.

Risk is inherent in business. Without risk, there would be no motivation to conduct business. But a key principle is that organizations should accept risks that they are competent enough to deal with, and "outsource" other risks to those who are more competent to deal with them (such as insurance companies). Enterprise Risk Management (2nd Edition) approaches enterprise risk management from the perspectives of accounting, supply chains, and disaster management, in addition to the core perspective of finance. While the first edition included the perspective of information systems, the second edition views this as part of supply chain management or else focused on technological specifics. It discusses analytical tools available to assess risk, such as balanced scorecards, risk matrices, multiple criteria analysis, simulation, data envelopment analysis, and financial risk measures.

Gain a strong understanding of business law as it's practiced today with the comprehensive, yet clear, approach found in today's number one business law resource with summarized cases: AN-

PERSON'S BUSINESS LAW & THE LEGAL ENVIRONMENT, COMPREHENSIVE VOLUME, 24E. This reader-friendly approach helps you grasp legal concepts and principles without overwhelming detail. You examine the latest developments in law today with new cases as recent as 2020 and examples drawn from current headlines. In addition to summarized cases, numerous examples of today's real legal dilemmas, meaningful applications and interesting learning features emphasize the relevance of what you are learning. You examine legal concepts within the context of real life with examples such as rapper 50 Cent's bankruptcy, Netflix's battle with Hollywood and popular online retailer Wayfair's legal battles. In addition, clearly identified content helps you prepare for the current CPA exam. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This book expands the scope of risk management beyond insurance and finance to include accounting risk, terrorism, and other issues that can threaten an organization. It approaches risk management from five perspectives: in addition to the core perspective of financial risk management, it addresses perspectives of accounting, supply chains, information systems, and disaster management. It also covers balanced scorecards, multiple criteria analysis, simulation, data envelopment analysis, and financial risk measures that help assess risk, thereby enabling a well-informed managerial decision making. The book concludes by looking at four case studies, which cover a wide range of topics. These include such practical issues as the development and implementation of a sound risk management structure; supply chain risk and enterprise resource planning systems in information systems, and disaster management.

The Travelers...husband and wife con artists who specialize in stealing from other criminals. The Freeport Robbery, The Kidnap Victim, and The Murder Run are books 4-6 in this series of no-holds-barred crime thrillers. If you like edge-of-your-seat action, shady criminal intrigue, and devious plot twists, then you'll love these pulse-pounding page-turners at this special low price. Click now to start reading these can't-put-them-down crime thrillers. The Freeport Robbery: Stolen art. A hijacked heist. Can the Travelers outmaneuver the FBI and a murder gang? The Travelers, short on cash, break into a freeport vault to reclaim a stolen 16th century jewelry casket for return to a museum. But after they're ambushed during the break-in, they're on the run from the cops. To keep their pictures off the FBI's Ten Most Wanted list, they must retrieve the jewelry casket. But when they finally catch up to it half way across the country, they find it has been delivered to a man who hasn't a clue as to what he's gotten himself into. Can they get the casket back and stay out of the crosshairs of the murder gang that wants it for themselves? The Kidnap Victim: When the hard men come with their guns. . . and bundle you into the trunk of a car. . . who do you wish had your back? The Traveling Man and a new partner have their eyes on a safe deposit box full of drug money when the new partner's husband unexpectedly shows up, muddling up the score. Meanwhile, the Traveling Man's wife, who's busy charming the daughter of her new boyfriend, is spotted by an old mark they previously swindled, a mark who's looking for payback. The Murder Run: Never cheat a partner. Always get revenge. . . The Traveling Man takes on a quick and easy safecracking job...easy until his partners are murdered and he's on the run. His wife is trying to settle into her new role as a rich man's girlfriend, so she isn't at his side. Who are these killers who are after him? And how are they connected to the govern-

ment agency that wants the envelope he took from the safe? With the help of a new associate, he tracks the killers until he's steered into a trap. They think he's cornered, but he's still got one ace up his sleeve. . . The Travelers crime thrillers contain profanity, violence, and sexual situations typical of the genre and similar to R rated movies.

Featuring profiles and photos of over 170 passenger cars, mini-vans, and four-wheel drive vehicles available for 1999, this book includes the latest suggested retail and dealer-invoice prices for all models.
