Students should be encouraged through this process to help make it manageable and making sure the students have interest in that they are doing. It is always best to explore topics that reflect your students' everyday lives.

#### Grade 4 Research Projects Worksheets

Most fourth-graders are assigned a research paper at some point during the school year. Research papers allow students to combine research skills and language arts with the knowledge they have gained in other subjects, such as science, social studies and history. The research paper ties everything together, and defining the right topic for the paper helps ensure that students will stay interested and engaged with the assignment while learning valuable skills.
