JHLHIA - JESSIE NEVEAH

The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

Includes a tenth anniversary issue, dated Nov. 1945.

Now in its second edition and still the only book of its kind, this is an authoritative treatment of all stages of the coating process -- from body materials, paint shop design, and pre-treatment, through

primer surfacers and top coats. New topics of interest covered are color control, specification and testing of coatings, as well as quality and supply concepts, while valuable information on capital and legislation aspects is given. Invaluable for engineers in the automotive and paints and coatings industry as well as for students in the field.

Models covered: VW Golf, GTI, Jetta and Cabrio 1999 through 2002.

Also time tables of railroads in Central America. Air line schedules.
