Show all. About the authors. DAVID GRAY CARLSON has been professor of law at the Benjamin N. Cardozo School of Law, New York, USA, since 1981. He has published frequently on Hegelian logic and is the editor of works on Hegel, deconstruction and psycho-analysis. His current project is to bring Hegel's logical system to bear on Anglo-American jurisprudence and to relate Hegel's logic to the constitution of the psycho-analytical subject.

A Commentary on Hegel's Philosophy of Mind | 9780199575664 ...
@ Commentaries on Hegel's work as a whole Findlay, J.N. (1958) Hegel: A Re-examination Mure, G.R. (1965) The Philosophy of Hegel Lauer, Quentin (1971) Hegel's Idea of Philosophy Rosen, S. (1974) G.W.F. Hegel: An Introduction to the Science of Wisdom Rotenstreich, N. (1974) From Substance to Subject: Studies in Hegel

Hegel is regarded as the pinnacle of German idealism and his work has undergone an enormous revival since 1975. In this book, David Gray Carlson presents a systematic interpretation of Hegel's 'The Science of Logic', a work largely overlooked, through a system of accessible diagrams, identifying and explicating each of Hegel's logical derivations.

Hegel's Doctrine of Reflection: Being a Paraphrase and a Commentary Interpolated Into the Text of the Second Volume of Hegel's Larger Logic, Treating of "Essence". William Torrey Harris (ed.) - 1881 - American Mathematical Society.

It is very much a commentary rather than an interpretation: there is no framing at the beginning of the text to orientate the reader, no attempt to develop and sustain a distinctive characterization of either Hegel's method or project in the work, and the emphasis is on articulating the structure of Hegel's transitions rather than on explaining their significance.

Introduction. In his 1945 work *The Open Society and its Enemies*, Karl Popper famously attacked what he saw as the intellectual roots of fascism. Tracing a lineage from Plato to its modern progenitors, he asserted that "Hegel's hysterical historicism was the fertiliser from which totalitarianism was grown." (Popper 1945: 270). Popper's chapter on "Hegel and the New Tribalism" includes a long list of charges, questioning Hegel's motives as an employee of the Prussian State, his ...
