Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found

worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. *Spanish Sentence Builders* is a workbook aimed at beginner to pre-intermediate students co-authored by two modern languages educators with over 40 years of extensive classroom experience between the two, both in the UK and internationally. This 'no-frills' book contains 19 units of work on very popular themes, jam-packed with graded vocabulary-building, reading, translation, retrieval practice and writing activities. Key vocabulary, lexical patterns and structures are recycled and interleaved throughout. Each unit includes: 1) a sentence builder modelling the target constructions; 2) a set of vocabulary building activities; 3) a set of narrow reading texts exploited through a range of tasks focusing on both the meaning and structural levels of the text; - a set of retrieval-practice translation tasks; 4) a set of writing tasks targeting essential micro-skills such as spelling, lexical retrieval, syntax, editing and communication of meaning. Based on the Extensive Processing Instruction (E.P.I.) principle that learners learn best from comprehensible and highly patterned input flooded with the target linguistic features, the authors have carefully designed each and every text and activity to enable the student to process and produce each item many times over. This occurs throughout each unit of work as well as in smaller grammar, vocabulary and question-skills micro-units located at regular intervals in the book, which aim at reinforcing the understanding and retention of the target grammar, vocabulary and question patterns.

From the New York Times bestselling author of When Dimple Met Rishi comes the second installment in a brand-new series set in an elite boarding school that's a contemporary spin on fairy tales, this one a delightful, romantic twist on The Frog Prince. Caterina LaValle is determined to show she's still the queen of St. Rosetta's Academy. Sure, her crown may be slightly askew after her ex-boyfriend, Alaric, cheated on her, but she's a LaValle. She'll find a way to march right back in there, her hands clutching the strings to the whole puppet show. This time, she's going to be untouchable. Rahul Chopra knows that moment he shared with Caterina LaValle at the winter formal meant something. Surely she feels it, too. He's a little uncertain how someone like him (socially inept to a point way past "adorkable") could fit into her world, but he's loved Caterina for years. He knows they'll find a way. When Caterina finds out Alaric is taking a supermodel to the upcoming gala, she knows she cannot arrive without the perfect date. But the thought of taking another superficial St. R's boy exhausts her. The solution? Sweet-but-clueless Rahul Chopra and a mysterious pot of hair gel with the power to alter the wearer into whatever his heart desires. When Rahul tries it, he transforms instantly into RC—debonair, handsome, and charming. But transformation comes with a price: As Rahul enjoys his new social standing, the line between his two personas begins to blur. Will he give up everything, including Caterina, to remain RC? Or will this unlikely pair find their way back to each other?
