Loss and Grief: Coping with the Death of a Loved One The loss of a loved one can be a hard reality to face and often leads one to grief and distress. With brutal honesty yet loving tenderness, Sadhguru takes us deeper into why this is so and shows us how to cope with the death of a loved one. When a loved one dies, you might be faced with grief over your loss again and again — sometimes even years later. Feelings of grief might return on the anniversary of your loved one's death or other special days throughout the year. These feelings, sometimes called an anniversary reaction, aren't necessarily a setback in the grieving process.
