"True love is never-ending. It does not refuse or inflict punishment, it does not withdraw or have temper tantrums, and it does not punish. Love always is, and it always emits the same high frequency of absolute, unconditional caring and offering, of growing and creation." — Ananda We think we know what love is, but in Love and a Map to the Unaltered Soul, we are challenged to broaden our definition and free ourselves from constraints we never realized we had. In these pages, you will learn that love is a process of climbing your ladder of consciousness. Through Tina Louise Spalding, Ananda, Jesus, and Mary Magdalene give practical instruction and examples on how to find and keep love at the center of your life.

This romantic coming of age novel - bold and sensual, honest and raw - tells of the passionate love affair between a 23-year-old idealistic, talented poet and a beautiful, neglected young married woman in a New England college town set in 1973. Written by a young soldier in 1976 Cold War West Germany and forgotten for forty years, it glows as fresh today as it was when I composed it in Paris and Heidelberg and other European cities where I traveled in my old orange VW as a single, adventuresome young man. Like many soldiers far from home, I was having the time of my life but didn't know it. I was homesick, and spent many evenings going back to our headquarters in an old Hitler-era Kaserne or barracks to lose myself in writing poetry and fiction. This novel was a nostalgic, melancholy, but passionate retrospection to the New England college town where I grew up. It's fiction - but who knows what tendrils of truth, remembrance, and long ago loves sprang up in the soil of imagination. The story has waited forty years, gathering dust, and is finally in print along with its companion volume. It is bursting into blossom, a fine wine uncorked after decades. The companion volume of poetry is Cymbalist Poems, and the two books have been reunited (twins separated at birth) in the book titled 27duet. The poems compiled by 1976 represent the natural ending of my lyrical phase. I was a professional author and summer interne newspaper reporter at 17, and a published poet by 18. This is New Adult (20s) long before today's marketing category--fresh, artful, and emotionally honest.

The love story of Sophie and Jack is an inspiring tale of two people who meet unexpectedly and fall deeply in love. They face numerous challenges along the way, including disapproval from their families and friends, but their love remains strong. As they continue to see each other, they struggle to keep their love a secret, constantly worrying about being discovered. Eventually, they confess their feelings to each other and face even greater obstacles, but they remain committed to each other. Throughout their journey, Sophie and Jack become advocates for love and acceptance, using their platform to support causes close to their hearts. They face aging and the challenges that come with it, but their love remains as strong as ever. Their love story serves as a reminder that love truly does conquer all and that anything is possible when you have someone to love and support you. They inspire people all over the world and continue to make a difference through their love and advocacy.

This book documents the impulses that drive Elisabeth Eaves' insatiable hunger for the rush of the unfamiliar. She is both restless vagabond and astute observer as she crisscrosses five continents, chasing the exotic in both culture and romance. She loses herself in the jungles of Papua New Guinea, rekindles old love and new passion in Cairo, and finds an intinerant brotherhood of raucous men in the land Down Under. Like the random possessions she leaves in her wake, from Australia to Yemen, she also leaves behind a string of lovers. But this is about more than just sensual conquest; it is also a journey of self-discovery, in which her pursuit ultimately guides her home - back cover.

From the author of the unforgettable Because You Are Mine... Losing control is just the beginning... "What would you do if the sexiest man in the world was bent on bringing you unbearable pleasure again and again? Joy Hightower wasn't sure she could survive the experience...or live without it." It's not often you're hired to paint a body tattoo—and what a body—on a total stranger at a Hollywood film set. A reserved and careful art teacher, Joy would never forget it. In a rare fit of raw desire she gave herself completely, knowing she'd never see him again, or ever repeat such a shameless, naked impulse. Little did she know, the man with whom she shared that lightning bolt of lust was star Everett Hughes. For Everett, women and sex came as easily as fame. But how could he hope to convince the guarded Joy that beneath the hard body and sexy façade of celebrity was a real man who wanted only one, real woman? In the heat of an intoxicating affair, Everett endeavors to break down her barriers, gain her trust, and expose himself as the real deal. But can Joy do the same, and reveal to

him the vulnerable woman who longs to be loved, wanted, and desired forever?

"There is no one on this green earth who could better tell the tales of Hollywood Lights, Nashville Nights than Victoria Hallman and Diana Goodman. And, oh, the tales they can tell! There they were, right in the middle of it all, falling in and out of love with the biggest names in show business. They were given a front row seat to the greatest show on earth, Hollywood, Vegas and Nashville, and were surrounded by some of the most brilliant talent we have ever known. Fasten your seat belts - Hollywood Lights, Nashville Nights will be a bumpy, fun-time ride for all." - Robert Hicks New York Times best-selling author of The Widow of the South Editor of A Guitar and a Pen "Hee Haw was all about friends and family having a great time and laughing together - both on the set and with everyone watching at home. One big family! Some of the relationships formed while making that show will last forever. Victoria Hallman is one of those people - my forever friend. I think so much of her because she cares about people. I know she cares about my family and me. I know that she would be there for me if I needed her. As special as she makes me feel, I know she does this for everyone, because she's just that kind of person." - Irlene Mandrell Co-star of Barbara Mandrell and the Mandrell Sisters Hee Haw Star "My first crushes were the Hee Haw Girls." - Robert Reynolds, the Mavericks Grammy Winner Country Music Association Award Winner Academy of Country Music Award Winner Read this classic romance by USA TODAY bestselling author Carole Mortimer, now available for the first time in e-book! She needed a husband... Shelby O'Neal's arrival at the Double K ranch in Montana should have been a celebration. But her fiancé's frantic wedding plans became meaningless after Shelby revealed the unusual terms of her inheritance... Arrogant Kyle Whitney believes Shelby is a gold-digger and—now his young cousin has dropped out of the running—that she is mercenary enough to try her wiles on him! But what Kyle doesn't realize is that Shelby has never been influenced by money and something much more important is at stake... Originally published in 1984

This groundbreaking study has been widely hailed for its focus on a human emotion generally considered impervious to rational analysis: romantic, passionate love. Ethel Person views romantic love as a powerful agent of change, arguing that it is as central to human culture as it is to human existence. This new edition of *Dreams of Love and Fateful Encounters* emphasizes the relevance of passion not only to lovers but also to mental health professionals whose patients often enter treatment because of love-related issues -- from the inability to love or make a commitment to the perils of extramarital love to love sickness or loss of love. She forthrightly addresses not only the power of love to unlock the soul but also its inherent paradoxes and conflicts. Employing a philosophical perspective in order to understand the existential dilemmas posed by love, and a cultural perspective in order to understand its cultural variability, Dr. Person breaks with contemporary intellectual and philosophical dismissive assumptions about romantic love. She acknowledges love's vital importance and power, proposing that passion serves an important function not only for the individual but also for the culture while charging psychoanalysis with a reductionist emphasis on sexuality and psychopathology that has narrowed the focus of inquiry into love. Among the issues she discusses are: romantic love's sources in our early lives, its relationship to imagination and creativity, and its capacity to enable the lover to transcend the self how romantic love often demands a reordering of values and promotes personal growth by exposing the self to new risks and possibilities the transformational potential of transference love in the therapy process flaws in the common misperception that women are more influenced by romantic love than men considerations of homosexual love, love across generations, and love triangles, focusing on the individual growth that can result from such relationships Citing accounts of love drawn from literature, film, and real life, Person focuses on the lover's internal soliloquy and external dialogue with the beloved that can develop over an individual's life. An uplifting resource for people experiencing failing or unorthodox romances, *Dreams of Love and Fateful Encounters* boldly takes on issues pertinent to lovers, to professionals who encounter patients for whom key conflicts revolve around romantic love, and to anyone who has struggled to understand the importance of romantic love in his or her own life.

God didn't create marriage to frustrate us, test us, or to make us feel unworthy or inadequate. He created marriage to be the most fulfilling and sacred of all human covenants. It was designed to be passionate and rewarding and to meet our deepest needs and desires. And it was meant to last a lifetime. So how do you build an indestructible marriage that is filled with passion, purpose, and excitement? In *Lifelong Love Affair*, Jimmy Evans shows couples how to embrace God's dream for their marriage, cultivate romance and fun, and fulfill each other's spiritual, emotional, and sexual needs. With more marriages today ending in divorces than ever before, and more young people cohabiting rather than getting married, the message of this book is sorely needed. Any married couple and anyone considering marriage will find *Lifelong Love Affair* an essential tool they will turn to again and again for inspiration and strength. Foreword by Drs. Les and Leslie Parrott. 'The new Marian Keyes . . . romantic and laugh-out-loud hilarious' *Cosmopolitan* It's Fran's thirtieth birthday and things are good . . . She's bluffed her way into a Very Posh Job and her outlandishly handsome and talented boyfriend Michael is escorting her to the Ritz with a bulge the shape of a ring box in his pocket. But something has gone wrong. Very wrong. By the end of the evening Fran is howling in bed with a bottle of cheap brandy and one of Michael's old socks. In her quest to figure out why her life has suddenly gone down the pan, Fran comes up with a failsafe plan: live like a badger, stalk a stranger called Nellie and cancel her beloved Gin Thursdays in favour of drinking gin every night. But then Fran's friends force a very different plan on her and it's nowhere near as fun. How could eight dates possibly make her feel better? But eventually she agrees. And so begins the greatest love story of all time . . . 'An absolute must-read' *Huffington Post* 'Prepare for public-transport belly laughs' *Glamour* David Bodanis presents this history of the turbulent love affair that fired the Enlightenment's intellectual revolution.

This interracial tale of Michael and Kaye is a modern day love story, and a voyeuristic view into what takes place in the minds of Michael and Kaye. Michael Levy, a young 32 year old freelance Restoration Conservationist, repairs paintings. Due to the irregularity in his income, Michael is partially supported by his parents, who run a successful escrow business. Shortly after meeting Kaye, he eventually falls in love with her. Michael's whole world has been turned upside down. Kaye Ellington, a 42 year old real estate agent, is a widow. She meets Michael on her way to inspect a piece of property she owns in Northern California. Over time, she falls hopelessly in love with this young man, who is ten years younger than she. She has a prosperous business relationship with his parents, who are her escrow agents. Michael wants to start a family, Kaye's children are grown. S. E. has written all her life. A native of Chicago, Illinois, she moved to California in her early 20's. After her arrival in California, the closeted writing habits continued. Writing in secret, whenever possible, allowed S. E. to write a collection of poetry, articles, scripts and short stories. Many years later, after timidly venturing out of the closet, she showed a friend a small book she had written. She was encouraged to expand the story, and Flames began to take form. This fictional tale is the prelude to the novel which will be released at a later date.

The official companion to the second season of the PBS/Masterpiece drama Victoria by award-winning creator and screenwriter Daisy Goodwin. Airing in the Downton Abbey slot on PBS/Masterpiece last January, Victoria captivated millions of viewers, eclipsing Downton's first-season viewership and leaving its audience eager for the series's next season, which will focus on Victoria and Albert's passionate and tempestuous marriage. This official tie-in to the show, by creator and screenwriter Daisy Goodwin, gives a behind-the-scenes look at the making of the show, featuring never-before-seen interviews, photos, diary entries, profiles on all major characters, and sumptuous detail on the costumes and props that bring Victoria and Albert's world to vivid life. Victoria and Albert follows this extraordinary relationship between two very different people—she impulsive, emotional, capricious; he cautious, self-controlled, and logical—whose devotion to each other was unparalleled in royal history. Taking fans deeper into the world of Victoria than ever before, Victoria and Albert: A Royal Love Affair is the ultimate gift for devotees of the show.

James Green is an English RAF test pilot and specialist in artificial intelligence. With an unexpected turn of events, he finds himself willingly handling an existing, but forgotten, project for the Russians to produce the world's first and most advanced artificial intelligence fighter plane. The plane is already so advanced, it is, in reality, creating its self. The plane and James form a unique and unbreakable bond. Russia is challenged by America to enter the Top Gun Event. They win, thanks to the plane and James, and they capture the world's imagination, reinforced later in a series of cliff-hanging rescues and near-death events. The uniqueness of the plane, foiling an attempt by suicide bombers of killing the Russian President and the plane's worldwide press coverage sees Green rapidly promoted in Russia and he soon heads the Russian Air Force. Later, everything is eclipsed by a passionate love affair between Green and Sasha, an Aviation Engineer. Green later finds out Sasha is the daughter of a senior Russian official, and more intrigue follows.

God's Love Affair (John 3:16) Detailed look at this verse relating to God's passionate love for us from a phrase by phrase perspective to portray that love to us. For God; Origin of His love -- So Loved; Fact -- The World; Object -- That He Gave; Act -- His Only Begotten Son; Gift -- That Whosoever; Scope -- Believesth in Him; Message -- Should Not Perish; Protection -- But Have Everlasting Life; Consequences

G. K. Chesterton advised, "Let your religion be less of a theory and more of a love affair." Remarkably, God loves you with a passionate, crazy love and craves your love in return. Throughout your sojourn on earth, God entices you in various ways, pursues you, and even demands your love! God created you for love, and your final destiny is everlasting union with this divine Lover. Human beings exhibit certain characteristics toward a person they deeply love, for example, constantly thinking of the beloved and delighting in being together. When you are involved in an intimate relationship with God, these same characteristics hold true

for both God and you. In "A Love Affair with God," twelve of these traits are explained. Each chapter presents how God shows one of these traits toward you and how you reciprocate likewise if you are in love with God. This last section is a goldmine of practical ways to express love for God. Scripture verses, quotations, stories, and examples are woven through the material. Questions for reflection are included. Reading this book promises to make you more aware of the immense love God has for you and to stir you to love God back with all your heart. This unique love affair is for time and for eternity. It makes life worth living.

We English, supposedly cold and unemotional, are helplessly in love with nature. We fell in love two hundred years ago and, since then, have been on a wild roller-coaster ride through escapism, romanticism, art, animal cruelty, conservation, birdwatching, the back-to-nature movement and much more. Today we live with pets, gardening, wildlife documentaries and smartphone apps. The English Love Affair with Nature tells the story of this extraordinarily long, tangled and passionate romance, how we fell in love, and why we are still mad about nature.

For personal caregivers of the elderly, this handbook will assist in giving resources to provide information relative to caregiving of the elderly. The time in which one lives affects attitudes, yours and those of others toward old age. Space is also provided in the back of the book for caregivers to include their personal information.

In A Woman of Passion, Julia Briggs chronicles the life of author Edith Nesbit who is credited with being the first modern writer for children and the creator of the children's adventure story. Nesbit recorded her life with varying degrees of honesty in verse and prose, and while she seldom wrote entirely openly of her own experiences, she seldom wrote convincingly of anything else. In this fascinating read, Julia Briggs attempts to fill in the gaps of Nesbit's autobiographical material, painting an intriguing portrait of the famous author.

A passionate love affair. A happy young family. And a successful 30-year marriage. But which one will be destroyed by the truth? Sophie and her sister, Jess, grow up knowing that a few little lies are necessary: You look great. It was only a joke. He's just stressed. It doesn't matter. Everything's fine. Everybody does it, don't they? But what about the big lies - about love, power and money? When Sophie discovers her father's secret, and Jess falls in love with the charismatic Jake, Sophie has to look at her own life again. Should she keep quiet or tear her family apart with the truth? And if she tells, who will pay the ultimate price?

As soon as Eric proposed to Cynthia, she began planning an extravagant wedding ceremony she knew would be the talk of the town for months, if not years to come. But in the midst of planning for the big day, glaring relationship issues began to surface. The intense drama between them justified postponing the wedding, which was a wise thing to do. Instead of walking down the church aisle headed for the altar, they found themselves reluctantly walking down a long hallway leading to the office of a spiritual life coach. During the sessions unresolved hurts and unanswered questions stemming from their childhoods slowly emerged. I invite you to read and observe the process as they receive emotional healing. A healing workbook is included as an addendum if you choose to embark upon your own journey of healing. My prayer is that you come to know the One who promises you... "A Love Affair for Life."

Here for the first time is the complete, captivating story of an on-set romance that turned into a lifelong love story between silver screen legends Audrey Hepburn and William Holden. In 1954, Hepburn and Holden were America's sweethearts. Both won Oscars that year and together they filmed Sabrina, a now-iconic film that continues to inspire the worlds of film and fashion. Audrey & Bill tells the stories of both stars, from before they met to their electrifying first encounter when they began making Sabrina. The love affair that sparked on-set was relatively short-lived, but was a turning point in the lives of both stars. Audrey & Bill follows both Hepburn and Holden as their lives crisscrossed through to the end, providing an inside look at the Hollywood of the 1950s, '60s, and beyond. Through in-depth research and interviews with former friends, co-stars, and studio workers, Audrey & Bill author Edward Z. Epstein sheds new light on the stars and the fascinating times in which they lived.

What better way to spend a hot summer day than to have a beach picnic? What to outsiders might look like two people in love is in fact a man and his sultry affair, who with her red sundress, lipstick, and painted toenails knows just how to wrap him around her finger. They have an arrangement: He provides her an avenue to fulfill her fantasies of having an affair with a married man while she provides him with opportunities to feel alive again in the face of the dull, predictable sex life with his wife. And so the story goes - with the sun hot on their skin and the waves softly crashing against the cliffs, it's not long until the sexual tension and chemistry get the better of them. As he teases her with the neck of a beer bottle, he finds she's gone commando... but right then, someone approaches, forcing the two to keep it together for just a while longer. "Beach Access" by Embouchure & VV is a sensual and playful story for lovers. If you haven't discovered or lived out your public sex kink yet - this story might just spark it for you.

The classic erotic memoir of an intense and haunting relationship that spawned the film. This is a love story so unusual, so passionate, and so extreme in its psychology and sexuality that it takes the reader's breath away. Unlike The Story of O, Nine and a Half Weeks is not a novel or fantasy; it is a true account of an episode in the life of a real woman. Elizabeth McNeill was an executive for

a large corporation when she began an affair with a man she met casually. From the beginning, their sexual excitement escalates through domination and humiliation. As the affair progresses, woman and man play out ever more dangerous and more elaborate sado-masochistic variations. By the end, she has relinquished all control over her body and mind. With a cool detachment that makes the experiences and sensations she describes all the more frightening in their intensity, Elizabeth McNeill beautifully unfolds her story and invites you to experience the mesmerizing, electrifying, and unforgettably private world of Nine and a Half Weeks.

While Lillian is being loved and respected by her husband of many years, her loneliness surfaces with full power on their journey to Israel. She meets, falls in love and has a passionate love affair with an Israeli officer, Zvi, half her age. Tragic events follow her husband's discovery of the affair and Lillian is left with the decision making that could map out her and Zvi's future forever.
