America in 2105 is beset with mass inequality, poverty and increasingly large numbers of the poor. A fractured America ushers in an authoritarian government that promises to solve these problems by redistributing children born to the poor to be adopted by the rich. Robin, a single teen mother, fell within the scope of the scheme and lost her baby two years ago. A life of factory work doesn't provide much hope until she stumbles upon a group of misfits who share her frustrations and desire for change. In a world where we have government of the rich by the rich for the rich, one girl decides to fight back.

Welcome to Midnight Fae Academy. Home of the Dark Arts. Vampires. And cruelly handsome fae. A forbidden bite led to my capture and recruitment. There are no flowers here. No life. Only death. I'm an Earth Fae who doesn't belong here. They can play

their little mind games all they want, but I'm going to find a way back to my elemental world. Even if it kills me. Except Headmaster Zephyrus is one step ahead of my every move. Prince Kolstov won't stop cornering me. And Shadow-the reason I'm in this damn mess to begin with-haunts my dreams. My affinity for the earth is dying and being replaced by something more sinister. Something powerful. Something deadly. The Midnight Fae believe this is my fate. They claim that I was "recruited" for a purpose. To battle a rising presence. Or to die trying. I don't owe them a damn thing. But if I have to pass their trials to find my way home, then so be it. I survived a plague and far worse in the Elemental Fae realm. An ominous energy? Please. What a joke. Give it your best shot. I'm waiting. And don't you dare bite me. Or I'll make you regret it. Author Note: This is a dark paranormal reverse harem series with enemies-to-lovers elements. Despite Aflora's opinions on the matter, there will definitely be biting. Shadow, aka Shade, guarantees

it. This book ends on a cliffhanger.

Supposedly, witches can't kill. But Madison accidentally killed her boyfriend, and now a girl at her witch academy is dead, too. Madison spent her life avoiding her magical abilities, but when she's forced to use them to save her best friend from a deadly storm and accidentally kills her boyfriend as a result, she decides she needs to enroll at La Voisin School for Young Witches after all. She knew starting a year later than her peers would come with its own struggles; she just never expected one of those struggles would be the impossible murder of a classmate. The school is spelled for safety, and witches can't kill...so how did Giselle end up dead? Only Giselle and her killer know, and only Madison can find out. Because now, the dead witch is haunting her. Crazy thing is, Giselle's murder isn't even the biggest secret this school has. Just ask the statues. INCLUDES A MORGANVILLE SHORT STORY When Claire is ordered to repair the systems that protect Morganville, it's not just cutting into her study time, it's a life-threatening problem. If there's one thing this vampire-infested town is serious about, it's security. But achieving the impossible only brings a whole new set of problems, and the upgrades have unexpected consequences: peo-

ple inside the town are slowly beginning to forget who they are, even the vampires. Soon, the town's little memory problem has turned into a full-on epidemic. Now Claire needs to figure out a way to pull the plug on her experiment - before she forgets how to save Morganville . . . 'Thrilling, sexy, and funny! These books are addictive. One of my very favorite vampire series.' Richelle Mead, author of the international bestselling Vampire Academy series.

Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

He's searched for her across centuries. But he's not the only one . . . Paris, heir to a vampire kingdom he has never claimed, is adrift on earth and in the Underworld. The bounty on his head keeps him on the run. When he realizes the woman whose death haunts his dreams could be alive, he will risk everything just to touch

Helen again. But her past can't be erased, and neither can her old enemy--a demon who will destroy worlds just to possess her. Author's Note: This is a standalone fantasy romance with vampires, witches, and mythological creatures.

A distinguished psychiatrist from Martinique who took part in the Algerian Nationalist Movement, Frantz Fanon was one of the most important theorists of revolutionary struggle, colonialism, and racial difference in history. Fanon's masterwork is a classic alongside Edward Said's *Orientalism* or *The Autobiography of Malcolm X*, and it is now available in a new translation that updates its language for a new generation of readers. *The Wretched of the Earth* is a brilliant analysis of the psychology of the colonized and their path to liberation. Bearing singular insight into the rage and frustration of colonized peoples, and the role of violence in effecting historical change, the book incisively attacks the twin perils of postindependence colonial politics: the disenfranchisement of the masses by the elites on the one hand, and intertribal and interfaith animosities on the other. Fanon's analysis, a veritable handbook of social reorganization for leaders of emerging nations, has been reflected all too clearly in the corruption and violence that has plagued present-day Africa. *The Wretched of the Earth* has had a major impact on civil rights, anticolonialism, and black consciousness movements around the world.

Amanda Devereaux has a crazy family. Her mother and older siblings are witches and psychics, and her twin sister is a vampire hunter. All Amanda wants is a quiet, normal life. Only when she finds herself the target of an attack meant for her twin, she wakes to find herself handcuffed to a sexy, blond stranger. He is Kyrian of Thrace. And while Amanda's first thought is that this might be another of her sister's attempts at extreme match-making, it soon becomes clear that Kyrian is not boyfriend material. For Kyrian is a Dark-Hunter: an immortal warrior who has traded his soul for one moment of vengeance upon his enemies. Kyrian spends his eternal days hunting the vampires and daimons that prey upon mankind. He is currently on the hunt for a very old and deadly daimon named Desiderius who has deemed it sport to handcuff Kyrian to a human while he hunts him. Now Kyrian and Amanda must find a way to break their bond before they give into their dangerous attraction to one another. Or Desiderius kills them both.

The 6th book in the bestselling "A Shade Of Vampire" series has arrived! Welcome back to The Shade... Derek and Sofia are finally enjoying a well-deserved break. Staying at a resort with good food, sun and sea, Sofia is thrilled to witness Derek's re-introduction to the human world. They would almost be mistaken for a normal young couple, if it were not for the red-eyed monster lurking in the shadows and watching their every move, waiting for his signal to pounce...

Fantasy-roman. As a grave witch, Alex Craft can speak to the dead - she's even on good terms with Death himself. As a consultant for the police, she's seen a lot of dark magic, but nothing has prepared her for her latest case. When she's raising a "shade" involved in a high profile murder, it attacks her, and then someone makes an attempt on her life. Someone really doesn't want her to know what the dead have to say, and she'll have to work with mysterious homicide detective Falin Andrews to figure out why "I celebrated when vampires were declared extinct. Those monsters had preyed on humanity for millennia, committing senseless, brutal murders. Like the rest of my colleagues at the Occult Bureau, I looked forward to a world where we could all sleep at night--where constant cover-up jobs were no longer required to keep the public calm and unaware. But the end of vampires wasn't the end of our problems. It was only the beginning"--Publisher marketing.

In the realm of the Dark-Hunters there is a code of honor that even immortal bad boys must follow: Harm no human. Drink no blood. Never fall in love. But every now and again a Dark-Hunter thinks himself above the Code. That's when I'm summoned. Who am I? I'm the one thing the fearless fear. Step over the line and it's my wrath you will face. Nothing can touch me. Nothing can sway me. I am relentless and unfeeling. Or so I thought until I met a female Dark-Hunter who goes by the name of Danger-it's not just her name, it's how she lives her life. She doesn't trust me at all. And who could blame her? She alone knows that I'm here

to be judge, jury and most likely executioner of her friends. Yet she is my key to saving some of them. Without her, they all will die. Dangereuse St. Richard is a deadly distraction. Something about her is reawakening a heart I thought was long dead. But in a race against evil, the only hope mankind has is that I do my duty. And how can I do my duty when it means that I will have to sacrifice the only woman I've ever loved?

What Sofia has with Derek feels like a sandcastle; temporary and something that the waves of life and time will soon ruin... Since the return of Gregor Novak, the island has turned several shades darker. His hatred toward Sofia and thirst for fresh blood lead to a brutal war igniting between father and son. Meanwhile, the hunters are gaining formidable strength and resources by the day; they know that the safety of The Shade hangs entirely on its ability to remain hidden from them. And a sinister secret lies in wait for Sofia within the bowels of an Egyptian desert ... a secret that threatens to crush her sandcastle much sooner than she could have expected.

Half-vampire Catherine Crawford is going after the undead with a vengeance, hoping that one of those deadbeats is her father - the guy responsible for ruining her mother's life. But when she's captured by Bones, a bounty hunter and a vampire, she finds herself forced into an unholy partnership. In exchange for his help in finding her father, and still astonished she hasn't ended up as his dinner, Cat agrees to train with the sexy night stalker until her battle reflexes are as sharp as his fangs. But that's not all Bones has to show her - Cat's starting to believe maybe vampires aren't all evil after all, especially ones as cute as Bones. She's half-convinced that being half-dead doesn't have to be all bad. But before she

can enjoy her newfound status as confident kick-ass demon hunter Cat finds herself, and Bones, hotly pursued by a band of killers. She's is going to have to pick a side - and fast ...

Three sexy bachelors with big plans. Longtime friends Rice, Coach, and Geffen can't believe it when they see an abandoned property just a stone's throw away from Rodeo Drive -- the dilapidated wreck is more haunted house than Hollywood high life. But when they enter the massive estate with their best friend and realtor Sunnie, they see a great financial investment. A fixer-upper with room for a gym and a sauna. A cavernous hall for swanky celebrity parties. A hideaway for seducing the ladies...in other words, a place to live large and dream big. A foxy she-devil out for revenge. But Sunnie senses all is not right with the house. Turns out it is already occupied by a supernatural vixen who resents the intruders and vows to use her shape-shifting powers to dispatch them -- not with violence but with an equally lethal weapon: sex. Morphing into each man's fantasy lover, she takes them one by one to heights of ecstasy designed to torment their souls. Only Sunnie, armed with an extrasensory gift and some very powerful prayers, can take on this devilishly gorgeous demon -- even if she has to pay the ultimate price.

Since the implosion at The Oasis and Derek's stay at Hawk Headquarters, The Shade has fallen into a state of utter chaos. To make matters worse, the citizens of Derek's kingdom have become suspicious of his loyalties and accuse him of siding with the enemy. At a time when Derek desperately needs full cooperation from his subjects, they wish to put their own King on trial. Meanwhile, Sofia is being held hostage by the hunters. The only fuel

that keeps her going is the thought of reuniting with Derek--something Reuben is fighting with every fiber of his being. Suddenly, Reuben seems to have a change of heart and offers Sofia a solution that would secure her and Derek's future together. But can she really trust this man who is so renowned for his hatred of vampires?

Learn the secrets of the most frightening, fun-filled day of the year! The only day when the forces of darkness are openly celebrated, Halloween comes down to us from the strange, shrouded mists of antiquity, originating in the pagan world and the primitive ceremonies that honor Samhain, the dark, mysterious Lord of the Dead, at a time when the veil between our world and theirs is at its thinnest. The strange and weird customs and beliefs of our ancestors live again, every October 31st, in the only day of the year when it is considered okay to dress in frightening costumes, to go door to door begging, and to feast on fear. A true classic in the literature of pagan lore, you will find this book frightening, fascinating and fun!

From the No.1 Sunday Times bestselling author of The Ashes of London comes the next book in the phenomenally successful series following James Marwood and Cat Lovett.

Cinderstella is a story about a girl who would much rather go to space than meet a prince. Stella has plans of her own for a happily ever after, which don't involve being a princess. She'd rather be an astronaut! A modern retelling of a beloved fairy-tale, this is a subtle and subversive tale about girl power. A 'Note to Readers' by the authors talks about encouraging girls in science, technology, engineering and maths (STEM) fields. Ages 4-8.

THE SERIES WITH OVER A MILLION BOOKS SOLD Marking the 2nd Anniversary of the release of A Shade of Vampire, Derek and Sofia have returned in time for Christmas! "I never could have imagined that Derek and I would willingly turn back into vampires. But there are some things in life that you just can't predict. Like the strange human disappearances that had started happening on the coasts surrounding us. There would have been nothing mysterious about these kidnappings so close to our own turf, had The Shade's vampires not given up drinking human blood almost two decades ago..." Welcome back to The Shade.

In the early part of the twentieth century, migrants made their way from rural homes to cities in record numbers and many traveled west. Los Angeles became a destination. Women flocked to the growing town to join the film industry as workers and spectators, creating a "New Woman." Their efforts transformed filmmaking from a marginal business to a cosmopolitan, glamorous, and bohemian one. By 1920, Los Angeles had become the only western city where women outnumbered men. In *Go West, Young Women*, Hilary A. Hallett explores these relatively unknown new western women and their role in the development of Los Angeles and the nascent film industry. From Mary Pickford's rise to become perhaps the most powerful woman of her age, to the racist moral panics of the post-World War I years that culminated in Hollywood's first sex scandal, Hallett describes how the path through early Hollywood presaged the struggles over modern gender roles that animated the century to come.

Her touch is deadly. His hunger can't be denied. As the only female Seminus demon ever born, master assassin Sinead Donnelly is used to being treated like an outcast. She spent decades

enslaved and now vows she'll die before she'll relinquish her freedom again. Then Sin's innate ability to kill her enemies goes awry: She creates a lethal new werewolf virus that sparks a firestorm of panic and violence. Half-werewolf, half-vampire Conall Dearghul is charged with bringing in Sin to face punishment for the plague. And she's no stranger: He's bound to her by blood and the one sexual encounter they shared has left him hungering for her raw sensuality. Worse, Sin is the underworld's most wanted and Con soon learns he's the only one who can help her . . . and that saving her life might mean sacrificing his own.

My name is Sebastian Lindstrom, and I'm the villain of this story. I've decided to lay myself bare. To tell the truth for once in my hollow life, no matter how dark it gets. And I can assure you, it will get so dark that you'll find yourself feeling around the blackened corners of my mind, seeking a door handle that isn't there. Don't mistake this for a confession. I neither seek forgiveness nor would I accept it. My sins are my own. They keep me company. Instead, this is the true tale of how I found her, how I stole her, and how I lost her. She was a damsel, one who already had her white knight. But every fairy tale has a villain, someone waiting in the wings to rip it all down. A scoundrel who will set the world on fire if that means he gets what he wants. That's me. I'm the bad guy.

'MEIN KAMPF' is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of MEIN KAMPF' was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany's deepest hu-

miliation, when Napoleon has dismembered the old German Empire and French soldiers occupied almost the whole of Germany. The book narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The Second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and 'public statements' constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler's ideal, the Volkischer Staat, as the People's State. The author has tried his best making German Vocabulary easy to understand. You will never be satisfied until go through the whole book. A must read book, which is one of the most widely circulated and read books worldwide.

The fifth entry in Chloe Neill's Chicagoland Vampires series, perfect for fans of Charlaine Harris and Kelley Armstrong Clouds are brewing over Cadogan House, and recently turned vampire Merit can't tell if this is the darkness before the dawn or the calm before the storm. With the city itself in turmoil over paranormals and the state threatening to pass a paranormal registration act, times haven't been this precarious for vampires since they came out of the closet. If only they could lay low for a bit, and let the mortals calm down. That's when the waters of Lake Michigan suddenly turn pitch black - and things really start getting ugly. Chica-

go's mayor insists it's nothing to worry about, but Merit knows only the darkest magic could have woven a spell powerful enough to change the very fabric of nature. She'll have to turn to friends old and new to find out who's behind this, and stop them before it's too late for vampires and humans alike.

An investigation into the physics of light and our journey toward healing, connection, and wholeness. The reductionism and materialism of our modern world make it easy to imagine everything can be cleanly broken down into smaller and smaller parts. Yet the straightforward example of light in a hologram, which can't be reduced to its parts, points to an underlying interconnected reality--a wholeness. Physicist Sky Nelson-Isaacs uses numerous familiar examples--rainbows, music, photography--to illustrate a fun-

damental wholeness found in nature. Just as light is filtered as it passes through a filmstrip, Nelson-Isaacs points out that our human experience is filtered through thoughts and feelings. This view provides an explanation as to why, in our daily lived reality, we can feel so broken and not-whole. Nelson-Isaacs weaves together cutting-edge ideas into the nature of space and time and original research, with a compelling message of urgency. The filters we use to make choices everyday hide important information from us, leading us away from experiences of flow. Through synchronicities, we are led to life lessons tailored to our readiness for change. Nelson-Isaacs reconsiders the view of time itself, suggesting that we live not just in this moment but on a timeline of history, part of a wave moving from our past into our future. Every choice we make shifts what is available to us. Can we learn to rethink our lives and reality to remove our filters and realize the wholeness that we have inherent in ourselves and in our world? Yes, says Nelson-Isaacs--and once we do that, we can use the multiverse of possibilities to make choices that help us heal and grow into a greater sense of ourselves.
