2002WE - ROLAND GAIGE

When an ancient manuscript that seems to undermine the story of the Resurrection is followed by an archaeological discovery that seems to support it, Dr. Jonathan Weber, a Harvard biblical scholar, is determined to find out whether they are part of an elaborate hoax.

After World War 2, there was a major revival movement where healing ministry played a huge part with renewed belief and emphasis in divine healing among many Christians. This book shows how the apostolic age has not ended and details the author's journey to the discovery that miracles are alive and well even today. After World War 2, there was a major revival movement where healing ministry played a huge part with renewed belief and emphasis in divine healing among many Christians. This book shows how the apostolic age has not ended and details the author's journey to the discovery that miracles are alive and well even today.

Harvard Professor Jonathan Weber is finally enjoying a season of peace when a shocking discovery thrusts him into the

national spotlight once again. While touring monasteries in Greece, Jon and his wife Shannon—a seasoned archaeologist—uncover an ancient biblical manuscript containing the lost ending of Mark and an additional book of the Bible. If proven authentic, the codex could forever change the way the world views the holy Word of God. As Jon and Shannon work to validate their find, it soon becomes clear that there are powerful forces who don't want the codex to go public. When it's stolen en route to America, Jon and Shannon are swept into a deadly race to find the manuscript and confirm its authenticity before it's lost forever.

A crucial, forgotten chapter of American history--immortalized in a survivor's first-hand account that became one of the bestselling books in 19th-century America and influenced Abraham Lincoln's thoughts on slavery--is brilliantly retold for a new generation.

A hidden door. A magical staircase. Discover the world of Droon! There's no place like home! Eric and his friends have finally restored the Rainbow Stairs, but that was the easy part. Now Geth-

wing is loose in the Upper World, and the Moon Dragon is causing big trouble. Eric, Julie, and Neal have to protect their town, but they're up against mysterious creatures, strangely-behaving parents, and powerful magic. Can the kids stop Gethwing before he destroys the Upper World -- for good?

In the vein of Timothy Keller or N. T. Wright, *The Skeletons In God's Closet* helps Christians and skeptics wrestle with some of today's toughest criticisms, deepest doubts and questions on faith. Investigating an Israeli who was born in Nazareth and has assembled twelve followers while performing miracles and attracting crowds, a skeptical Jonathan Weber seeks to prevent compromises to the Christian faith.

Do God, politics and money mix? In *ROOT OF ALL EVIL? A PASTOR STEPHEN GRANT NOVEL* by Ray Keating, the combination can turn out quite deadly. Keating introduced readers to Stephen Grant, a former CIA operative and current parish pastor, in the fun and highly praised *WARRIOR MONK*. Grant returns in *ROOT OF ALL EVIL? - a breathtaking thriller involving drug traffickers, politicians, the CIA and FBI, a shadowy foreign regime, the Church, and money. Charity, envy and greed are on display, with the action running high. In this second edition of ROOT OF ALL EVIL? A PASTOR STEPHEN GRANT NOVEL, Ray Keating has written an author introduction focused on some of the challenges of penning a political thriller, including maintaining an edge-of-your-seat feel while not annoying the reader with the petty real world of politics. Keating also talks about how some key characters fit into ROOT OF ALL EVIL, as well as how his own experiences fed into the story?*

A visual history of the remains of the

saints and holy relics found in the subterranean passageways and tombs beneath Rome, featuring skeletons dressed in elaborate silks and lace, wigs, crowns, jewels and armor. 10,000 first printing.

The Skeleton Cupboard is Professor Tanya Byron's account of her years of training as a clinical psychologist, when trainees find themselves in the toughest placements of their careers. Through the eyes of her naive and inexperienced younger self, Tanya shares remarkable stories inspired by the people she had the privilege to treat. Gripping, poignant and full of daring black humour, this book reveals the frightening and challenging induction faced by all mental health staff and highlights their incredible commitment to their patients. Powerfully moving and beautifully written, *The Skeleton Cupboard* shares the tales of ordinary people with an amazing resilience to the challenges of life.

Hamon takes readers on a journey throughout the history of the church. Beginning at the origination of the church in the 1st Century, he proceeds to its deterioration during the Middle Ages to the restoration of the church from the time of the Reformation to the present.

In this guide Badie has identified timeless topics and components which includes:- Career-centric topics

that will boost your professional esteem.- Daily activities that can help you generate a new perspective to advancing in your career.- Action lists and affirmations that promote and develop successful career traits.

When an ancient skeleton is discovered in Israel, will it shed new light on the life of Jesus or plunge the world into chaos? Dr. Jonathan Weber, Harvard professor and biblical scholar, is looking forward to his sabbatical year on an archaeological dig in Israel. But a spectacular find that seems to be an archaeologist's dream--come-true becomes a nightmare that many fear will be the death rattle of Christianity. Carefully researched and compellingly written, *A Skeleton in God's Closet* explores the tension between faith and doubt when science and religion collide. In the end, it's a thought provoking page turner driven by one man's determination to find the truth--no matter what the cost.

This engaging and beautifully written narrative sheds a brilliant new light on the life of Jesus and the courageous men and women who carried His message throughout a hostile empire. Full-color photos and illustrations.

The splendor and pagan excesses of Roman society are confronted by the life-changing faith of Christianity in this historically accurate fiction work. Guaranteed fiction!

Perhaps no biblical episode is more troubling than the conquest of Canaan. But do the so-called holy war texts of the Old Testament portray a divinely inspired genocide? John Walton and J. Harvey Walton take us on an archaeological dig, reframing our questions and excavating the layers of translation and interpretation that cloud our perception of these difficult texts.

Do you want to hear God's voice more clearly? Through testimonies, bible studies, and exercises Dr Martin Powell demonstrates a life led by the Holy Spirit. Testimonies - providing encouragement and practical insights into listening to God. And they overcame him by the blood of the Lamb and by the word of their testimony, and they did not love their lives to the death. (Rev 12:11 NKJ) Bible Studies - Impactful studies of God's Word, focussing on the heroes of the Bible who found success by listening to the Voice of God. Exercises - simple steps to learn and grow in the intimacy of hearing 'His Voice'.

A skeleton found in Jerusalem, believed to be the body of Jesus, may plunge the world into chaos: "Totally riveting—right up to the last page" (The San Diego Union). In a hidden tomb in the ancient city of Jerusalem, the skeleton of a man who died two millennia ago is uncovered by Israeli archaeologist Sharon Golban and her team. The body bears the unmistakable marks of crucifixion; an inscription written in Aramaic identifies the remains as belonging to the "King of the Jews." It is a discovery that could rock the civilized world—inciting riots, toppling governments, and destroying the very foundations of the Christian Church—if it is truly the unrisen body of Jesus Christ. Dispatched by the Vatican to investigate in secret, Jesuit priest and former US Marine Jim Folan joins Dr. Golban in a frantic race to uncover the truth. The shocking revelations that await them will test his beliefs, his will, and his sanity as never before—leading Father Folan and his beautiful, brilliant partner into forbidden temptations while casting them both into a roaring maelstrom of fanatical faith and deadly politics. The Body is an ingenious "what if" tale that combines action, science, dis-

covery, romance, and spirituality. Acclaimed author Richard Ben Sapir envelops the reader in the rich atmosphere of the mysterious and volatile Middle East while providing an enthralling adventure certain to provoke deep thought and inspire debate.

A compelling and beautiful story about a girl who learns to live from a boy who wants to die. 'If you're looking for the next *The Fault in Our Stars*, this is it' - Guardian A New York Times bestseller. Soon to be a major film starring Elle Fanning. Theodore Finch is fascinated by death, and he constantly thinks of ways he might kill himself. But each time, something good, no matter how small, stops him. Violet Markey lives for the future, counting the days until graduation, when she can escape her Indiana town and her aching grief in the wake of her sister's recent death. When Finch and Violet meet on the ledge of the bell tower at school, it's unclear who saves whom. And when they pair up on a project to discover the 'natural wonders' of their state, both Finch and Violet make more important discoveries: It's only with Violet that Finch can be himself - a weird, funny, live-out-loud guy who's not such a freak after all. And it's only with Finch that Violet can forget to count away the days and start living them. But as Violet's world grows, Finch's begins to shrink. How far will Violet go to save the boy she has come to love? An intense, gripping novel, perfect for fans of John Green, Jay Asher, Rainbow Rowell, Gayle Forman and Jenny Downham. Selected as the launch title for the Zoella Book Club. 'This book is amazing - I couldn't put it down' - Zoe Sugg aka Zoella 'A searingly honest and heartbreakingly poignant tale about the power and beauty of love' - Heat 'Sparkling' - Entertainment Weekly

Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichés that minimize a womans true position in Christ!

God Has a Name is a simple yet profound guide to understanding God in a new light--focusing on what God says about himself. This one shift has the potential to radically alter how you relate to God, not as a doctrine, but as a relational being who responds to you in an elastic, back-and-forth way. In *God Has a Name*, John Mark Comer takes you line by line through Exodus 34:6-8--Yahweh's

self-revelation on Mount Sinai, one of the most quoted passages in the Bible. Along the way, Comer addresses some of the most profound questions he came across as he studied these noted lines in Exodus, including: Why do we feel this gap between us and God? Could it be that a lot of what we think about God is wrong? Not all wrong, but wrong enough to mess up how we relate to him? What if our "God" is really a projection of our own identity, ideas, and desires? What if the real God is different, but far better than we could ever imagine? No matter where you are in your spiritual journey, the act of learning who God is just might surprise you--and change everything.

Is God lost? Many of us feel that way. It's as if God's gone missing, out in the universe somewhere—and we must pick up the hunt, following any trail of breadcrumbs he may have left to go out and find him. We speak of "searching for God," "exploring spirituality," and "finding faith." But what if we have it backward? What if God is the one pursuing us? What if our job is not to go out and find God, but simply to stop running and hiding? Not to earn God's love, but to receive it? Not to turn on the light, but to step out of the shadows? Jesus reveals a God on the prowl, pursuing us, hunting down his world for reconciliation. And the question we're left with is not whether we've pursued hard enough, searched long enough, or jumped high enough . . . The question is, "Do we want to be found?"

Change Your Words, Change Your World! Admit it, you talk to yourself. Whether you speak the words out loud or think them in your mind, you are always talking to yourself... about yourself. The important question: what are you saying? Much of what we say is negative, hurtful and damaging, setting us up for failure.

If you want to live the victorious, abundant life God has for you, start by changing what you say to yourself. This has the power to radically transform everything! In her relatable, down-to-earth style, Lynn Davis offers scriptural self care for the soul in need of encouragement. Learn how changing your self talk will help you: * Experience victory over fear, bad habits and addictions * Overcome negative emotions * Think God's thoughts about yourself by changing your meditation * Receive healing from sickness * Increase your self-esteem * Make declarations that strengthen your faith Get delivered from negative self talk today and begin speaking powerful, faith-filled words that unleash God's purpose, joy, and healing in your life!

The dead tell no tales. Or do they? In this fascinating book, Clark Spencer Larsen shows that the dead can speak to us--about their lives, and ours--through the remarkable insights of bioarchaeology, which reconstructs the lives and lifestyles of past peoples based on the study of skeletal remains. The human skeleton is an amazing storehouse of information. It records the circumstances of our growth and development as reflected in factors such as disease, stress, diet, nutrition, climate, activity, and injury. Bioarchaeologists, by combining the methods of forensic science and archaeology, along with the resources of many other disciplines (including chemistry, geology, physics, and biology), "read" the information stored in bones to understand what life was really like for our human ancestors. They are unearthing some surprises. For instance, the shift from hunting and gathering to agriculture approximately 10,000 years ago has commonly been seen as a major advancement in the course of human evolution. However, as Larsen provoca-

tively shows, this change may not have been so positive. Compared to their hunter-gatherer ancestors, many early farmers suffered more disease, had to work harder, and endured a poorer quality of life due to poorer diets and more marginal living conditions. Moreover, the past 10,000 years have seen dramatic changes in the human physiognomy as a result of alterations in our diet and lifestyle. Some modern health problems, including obesity and chronic disease, may also have their roots in these earlier changes. Drawing on vivid accounts from his own experiences as a bioarchaeologist, Larsen guides us through some of the key developments in recent human evolution, including the adoption of agriculture, the arrival of Europeans in the Americas and the biological consequences of this contact, and the settlement of the American West in the eighteenth and nineteenth centuries. Written in a lively and engaging manner, this book is for anyone interested in what the dead have to tell us about the living.

In Eliot Pattison's *Skeleton God*, Shan Tao Yun, now the reluctant constable of a remote Tibetan town, has learned to expect the impossible at the roof of the world, but nothing has prepared him for his discovery when he investigates a report that a nun has been savagely assaulted by ghosts. In an ancient tomb by the old nun lies a gilded saint buried centuries earlier, flanked by the remains of a Chinese soldier killed fifty years before and an American man murdered only hours earlier. Shan is thrust into a maelstrom of intrigue and contradiction. The Tibetans are terrified, the notorious Public Security Bureau wants nothing to do with the murders, and the army seems determined to just bury the dead again and Shan with them. No one wants

to pursue the truth—except Shan, who finds himself in a violent collision between a heartbreaking, clandestine effort to reunite refugees from Tibet separated for decades and a covert corruption investigation that reaches to the top levels of the government in Beijing, China. The terrible secret Shan uncovers changes his town and his life forever.

A thief has quietly crept into our churches. This thief has robbed us blind and most of us do not even realize it. Most of what our Lord wants for us has been taken from us by a "spirit of religion". This spirit has caused us to become a self-centered, flesh-serving institution instead of the life-giving, hope-building, Christ-filled Body that Jesus wants to build. Our only hope of reconnecting with our Lord and the culture around us is to return to the Lord Himself. He will build His own Church, with much less help from us than we realize. This book shows the power of restoring the Church by restoring the intimacy of relationship with our Lord and then with the people God has put into our lives.

Etta Lemon: *The Woman Who Saved the Birds* is the story of a pioneering conservationist who led the campaign against the slaughter of wild birds for extravagantly feathered hats and coaxed the world to care for birds.

How can a loving God send people to hell? Isn't it arrogant to believe Jesus is the only way to God? What is up with holy war in the Old Testament? Many of us fear God has some skeletons in the closet. Hell, judgment, and holy war are hot topics for the Christian faith that have a way of igniting fierce debate far and wide. These hard questions leave many wondering whether God is really good and can truly be trusted. *The Skeletons in God's Closet* confronts our popular caricatures of these difficult topics with the

beauty and power of the real thing. Josh Butler reveals that these subjects are consistent with, rather than contradictory to, the goodness of God. He explores Scripture to reveal the plotlines that make sense of these tough topics in light of God's goodness. From fresh angles, Josh deals powerfully with such difficult passages as: The Lake of Fire Lazarus and the Rich Man The Slaughter of Canaanites in the Old Testament Ultimately, *The Skeletons in God's Closet* uses our toughest questions to provoke paradigm shifts in how we understand our faith as a whole. It pulls the "skeletons out of God's closet" to reveal they were never really skeletons at all.

Yes you can understand the Bible! *Discovering the Miracle of the Scarlet Thread in Every Book of the Bible* takes the mystery and confusion out of the Bible and makes God's Word come alive with new insights and a fresh excitement that will have you searching for more. Dr. Richard Booker unveils the mysteries and secrets of the Bible by explaining its master theme, and then reveals a simple plan so you can discover God's personal revelation for yourself. The author provides Exciting biblical background, An interesting survey of each book in the Bible, Each book's master theme, Practical principles, forms, and guidelines for your own life-enriching Bible study. The sometimes hard-to-understand teachings of Jesus in their original culture and context come alive and become real through discovering the miracle of the scarlet thread. Then Jesus began to explain everything which had been written in the Scriptures about Him. Jesus started with the books of Moses and then He talked about what the prophets had written about Him (Luke 24:27 PEB). This book about the Bible will change the way you

think about His Word His life-changing and eternal Word.

"Vivid style and keen insights make this book a delight and a genuine educational experience." —Moody Magazine In this richly illustrated volume—formerly titled *In the Fullness of Time*—Paul Maier visits the origins of Christianity, taking the reader back to the first Christmas, the first Easter, and the first Christians. His impressive research and brilliant insights correlate history, archaeology, and the New Testament to bring alive the true drama of earliest Christianity. This skillful narrative sheds a brilliant new light on the life of Jesus and the adventures of the courageous men and women who carried His message throughout a hostile empire. A host of magnificent color and black-and-white photographs recreate the world, the mood, the people, and the events with an immediacy that sweeps readers into the exciting first years of Christianity. "The author is at home in the vast literature of his subject." —The New York Times Book Review "For the supremely pivotal event of the Resurrections, Paul Maier's book lends fresh and scholarly support." —Billy Graham "Fascinating. . . . Brings a new perspective to a story we have known all our lives." —Redbook "Fact-filled, interesting, and successful . . . splendid research. This is a beautiful book." —Christian Century

The Knowledge of the Holy by A.W. Tozer illuminates God's attributes—from wisdom, to grace, to mercy—and in doing so, attempts to restore the majesty and wonder of God in the hearts and minds of all Christians. It teaches us how we can rejuvenate our prayer life, meditate more reverently, understand God more deeply and experience God's presence in our daily lives.

Warrior Monk revolves around a former CIA assassin, Stephen Grant, who has

lived a far different, relatively quiet life as a parish pastor in recent years. However, a shooting at his church, a historic papal proposal, and threats to the Pope's life mean that Grant's former and current lives collide. Grant must tap the varied skills learned as a government agent, a theologian and a pastor not only to protect the Pope, but also to feel his way through a minefield of personal challenges.

When an ancient skeleton is discovered in Israel, will it shed new light on the life of Jesus or plunge the world into chaos? Dr. Jonathan Weber, Harvard professor and biblical scholar, is looking forward to his sabbatical year on an archaeological dig in Israel. But a spectacular find that seems to be an archaeologist's dream--come-true becomes a nightmare that

many fear will be the death rattle of Christianity. Carefully researched and compellingly written, *A Skeleton in God's Closet* explores the tension between faith and doubt when science and religion collide.
