THE MUST-READ MULTIMILLION BESTSELLING MYSTERY SERIES• Everyone is talking about A Good Girl's Guide to Murder! With shades of Serial and Making a Murderer this is the story about an investigation turned obsession, full of twists and turns and with an ending you'll never expect. Everyone in Fairview knows the story. Pretty and popular high school senior Andie Bell was murdered by her boyfriend, Sal Singh, who then killed himself. It was all anyone could talk about. And five years later, Pip sees how the tragedy still haunts her town. But she can't shake the feeling that there was more to what happened that day. She knew Sal when she was a child, and he was always so kind to her. How could he possibly have been a killer? Now a senior herself, Pip decides to reexamine the closed case for her final project, at first just to cast

doubt on the original investigation. But soon she discovers a trail of dark secrets that might actually prove Sal innocent . . . and the line between past and present begins to blur. Someone in Fairview doesn't want Pip digging around for answers, and now her own life might be in danger. And don't miss the sequel, Good Girl, Bad Blood! "The perfect nail-biting mystery." --Natasha Preston, #1 New York Times bestselling author

An intelligent, comprehensive guide to nontraditional and non-monogamous relationships: "Informative and entertaining." —Dr. Elisabeth Sheff, author of When Someone You Love is Polyamorous This practical guidebook offers relationship advice radically different from anything you'll find on the magazine rack, to help women who want to break free of the mold of traditional monogamy—without the constraints of jealousy, possessiveness,

insecurity, and competition. The Smart Girl's Guide to Polyamory incorporates interviews and real-world advice from women of all ages in nontraditional relationships, as well as exercises for building self-awareness, confidence in communication, and strategies for managing and eliminating jealousy. If you're curious about exploring group sex, opening up your current monogamous relationship, or ready to "come out" as polyamorous, this book covers it all.

Sometimes that little voice in your head knows exactly what to ask. "You earn \$150,000 a year, so where the hell is your money going?" Or what about this little gem that pops up every so often when you catch up with the girls- "How can she afford that?" Or maybe you're in a relationship that you're desperate to leave but that voice always says- "You can't afford to." Maybe your biggest fear is retiring in a polyester outfit because you haven't saved enough to live the fashionista lifestyle you're accustomed to. This book is for every woman who unashamedly has that voice in her head. After 20 years on a brand like Money, I've come across just about every possible question. Hopefully you'll find the answers to some of your questions in here.

The Smart Girl's Guide to Life is the essential guide to navigating the tricky and unexpected moments in life. Perfect for teen and 'tween' girls moving from primary to secondary school, this book is filled with practical and friendly advice about money, careers, boys and self-confidence. The Smart Girl's Guide to Life should be on every girl's bookshelf! The ideal companion to The Smart Girl's Guide to Life Friendship (9781407136400) and The Smart Girl's Guide to Growing Up (9781407116044)

Whether parents like it or not, romance is a part of girls' everyday lives. They see it in the media and hear about it from their friends and older family members. They may be having feelings they're not even sure how to define. It's all very exciting, but also very confusing for girls. This book helps answer all the questions popping up in her head: How can you tell if a person likes you? How do you tell someone you like them? What if you haven't had a crush yet? And, ugh, what about rejection? It includes tips and quizzes, plus age-appropriate and honest advice on navigating social situations and, most importantly, staying true to herself through any relationship.

Offers advice to help girls understand and get along with parents, stop fights with siblings before they start and negotiate positive solutions to family problems.

Contains quizzes, tips, and advice on money, and includes a section with 101 moneymaking ideas.

Turning smart girls golden; the women's guide to personal finance Rebranding finance with a feminine spin, It's Your Money, Honey is designed to encourage women of all ages to take a greater interest—and play a greater role—in the financial issues that affect their everyday lives and financial futures. Conversational, irreverent, and intelligent, this guide to wealth creation, wealth management, and financial protection as it relates to women and their families provides exactly the kind of advice that smart women today need to know in order to take charge of their finances. Organized by decade and the events—from childrearing to retirement—that need to be planned for, presently enjoyed, or recovered from, It's Your Money, Honey is packed with expert information in the no-nonsense style of a girlfriend who knows her

stuff. Finances aren't that hard, you just have to deal with them yourself. Finally, a book that understands that every woman needs to make time for a personal finance education. Highly accessible, the book is designed to be read whenever you find yourself with a spare second, providing important information in bite-sized chunks. Helps women prepare for major life events with the help of real-life stories, helpful checklists, and easy-to-apply Golden Rules. Born out of the notion that too many smart women let their financial situations be ignored, swept under the rug, or dictated by others, *It's Your Money, Honey* is everything you need to know about money but were too busy to ask. Travel is all about adventure. It's about trying new things and meeting new people. This book shows you how to be a confident and happy traveler, whether you are going to your grandma's house just a few hours away or you're making a trek across the world. Filled with fun quizzes, smart safety tips, and cool trivia, this book will help you get ready for a lifetime of adventure!

Congratulations! This big world is now yours to explore and conquer. And it costs money. Together we'll walk through some really big and important life-changing decisions you will soon face from paying off student loans, switching jobs, buying a house, getting married, comingling your finances, having a baby, giving up your career (or not) to be a full-time mom, and what to do if tragedy strikes. Money is at the heart of these decisions and experiences. Prepare yourself now. This book is a practical, real-life guide for transforming young women into financially confident adults. You will turn to this book again and again as your life evolves through your twenties and thirties for unbiased, straight-

forward money advice rather than relying on parents, significant others, or inexperienced family and friends to tell you what to do with your finances. It's your life. Smart money moves will help you live it better every day.

Offers girls help dealing with backstabbing, bullying, betrayal and other tough friendship problems through advice, quizzes, tips, and accounts of girls who have overcome their differences and strengthened their friendship.

Brianna Karp entered the workforce at age ten, supporting her mother and sister throughout her teen years in Southern California. Although her young life was scarred by violence and abuse, Karp stayed focused on her dream of a steady job and a home of her own. By age twenty-two her dream became reality. Karp loved her job as an executive assistant and signed the lease on a tiny cottage near the beach. Then the Great Recession hit. Karp, like millions of others, lost her job. In the six months between the day she was laid off and the day she was forced out onto the street, Karp scrambled for temp work and filed hundreds of job applications, only to find all doors closed. When she inherited a thirty-foot travel trailer after her father's suicide, Karp parked it in a Walmart parking lot and began to blog about her search for work and a way back. Karp began her journey as a homeless person terrified and ashamed. Fear turned to awe as she connected with others in her same position whose remarkable stories inspired her to become an activist for the homeless community.

New title in the Smart Girl's Guides line of advice books. Includes quizzes, and quotes and advice from real girls. Loaded with tips and advice for getting control of your space, your belongings,

your schedule, and your responsibilities at home and at school. Major help with de-cluttering, starting small with a girl's backpack and locker, and then moving on to "5 zones" of her room: study, entertainment, clothing, get-ready, and sleep. Focus on emotional well-being—less frustration, less stress, more calm and confident, better relationships, better performance, increased happiness with life—when not late or losing or forgetting things. Includes "One Small Step" sidebars throughout, to help a girl get started with each area of organization and not feel overwhelmed.

Smart Girls' Guide to Money is a practical, user-friendly handbook that will motivate you to take control of your finances. Follow the step-by-step exercises to make sense of your goals and discover how to become a smart money manager - a vital part of being a savvy, independent modern woman. Smart Girls' Guide to Money will show you how to:

- \* Plan for your future and set financial goals
- \* Budget, save and build wealth
- \* Make sense of investment options
- \* Handle tax-time without the stress
- \* Find good financial advice
- \* Use MoneySmart tools to stay motivated.

Are you in an abusive or unhappy relationship? Do you try too hard to please your friends at the expense of your own needs and wants? Are you subservient to others and do you find yourself unable to become independent? Do you suffer from negative self-talk? These are all signs that your self-care regimen is deficient in some way. The Smart Girl's Guide to Self-Care tackles the common problems of effective self-care with practical suggestions for practices that will create a sustainable, lifelong self-care routine. For those who are beginners to concepts like mindfulness, meditation, opposite action, positive rebellion, positive affirmations and

radical acceptance, this book will provide a useful and comprehensive introduction. For those struggling from the trauma of emotionally abusive relationships, this book will guide you in recognizing the signs of abuse, creating a reverse discourse that challenges ruminations over the abuse, moving forward successfully after a break-up using no contact, and techniques on coping with trauma in constructive and meaningful ways. Each chapter of this book also provides a list of supplemental resources as well as a recommended reading list to guide you on this journey to greater self-love and self-care. Although this book is intended for everyone, its target audience is young women who are socialized to believe that their needs and wants don't matter and that their relationships with others are much more important than the relationship they have with themselves. In order to have healthy, happy relationships with others, we must first cultivate healthy, happy relationships with ourselves and eradicate the toxic habits that deplete us of the self-love and self-acceptance necessary for a fulfilling life. You may be wondering: How is it possible to banish the browbeating bully inside your own head, influenced by all the bullies you've encountered in real life? How do you learn how to be more present in the moment rather than ruminating over the pitfalls of your past? How do you learn to love yourself, despite all of the experiences that tell you you aren't even worthy of your own respect and appreciation? Using a patchwork of diverse techniques and practices, The Smart Girl's Guide to Self-Care answers these questions through a holistic program of tending to the mind, body and spirit in healthier and more productive ways, serving as the portal to immense healing and enabling you to stage your own recovery and victory in ways you never thought possi-

ble.

A companion to *A Smart Girl's Guide: Money* features quizzes for helping young girls identify money-earning ventures that are most compatible with their personalities, sharing practical and engaging strategies for knowing what to charge and managing money responsibly. Original.

Drawing on her own personal experience, financial analyst and public speaker Lesley-Anne Scorgie lays out the roadmap for young women seeking financial independence. This book focuses on giving women the tools, confidence and self-assurance they need to be financially independent, debt-free and resourceful.

The must-have guide for any woman who's ever thought about saying "yes" to the other big question: Will you move in with me? More and more couples are choosing to live together before tying the knot—for convenience, to save money and, most importantly, to see if they're compatible. While living together can be an exciting way to take your relationship to the next level, it can also present a host of new questions and challenges. With its fresh, girlfriend-to-girlfriend manner, *Shacking Up* walks you through every step of the cohabitation process, from making the initial decision to breaking up or getting married. Beginning with a readiness quiz to help you decide if you and your honey are prepared to take the plunge, authors Stacy and Wynne Whitman provide a wealth of hands-on advice from lawyers, psychologists and financial planners as well as entertaining, true-life stories from couples with shacking up experience. Topics include: breaking the news to your family; managing and merging your finances; protecting yourself legally; real-estate decisions; and day-to-day dilemmas

such as chores, privacy, and keeping the spark alive. Whether you opt for wedding bells or decide he's not the one for you, *Shacking Up* is a stylish, empowering handbook for staying smart, savvy, and true to yourself along the road to happily ever after.

Learn the basics of investing with this approachable guide to the world of finance *Clever Girl Finance: Learn How Investing Works*, *Grow Your Money* is the leading guide for women who seek to learn the basic foundations of personal investing. In a no-nonsense and straightforward style, this book teaches readers: Exactly how investing works and what you should be doing, no fancy finance degree required How to leverage investing to build long term wealth even on a modest salary The key pitfalls to avoid in order to become a successful investor How to build a nest egg and invest in your future Insights from real-world success stories from other "clever girl investors" *Clever Girl Finance* teaches readers the irreplaceable value of investing for long-term financial gain, and the difference between making money and building wealth. Written for any woman who's ever sought out an accessible introduction to the world of investing, this book is especially suited to women interested in learning how investing works and taking guided action towards their financial success.

A guide about personal finance for teenage girls provides tips and advice for how to make, save, invest, and spend money wisely.

In this book, personal development coach Mary Hartley explains how women can discover the secrets of assertiveness in order to live happier, healthier and more fulfilling lives. Taking a fun and sophisticated approach, the book is designed to be appealing to students, career girls and yummy mummies. Mary begins by ex-

plaining what assertiveness is and why it matters. She goes on to help the reader identify common patterns of behaviour - aggression, passivity and manipulation - providing guidance as to why we sometimes behave in these ways and the problems such patterns of behaviour can cause. Mary shows how assertive behaviour brings about the best results in every aspect of your life - helping you achieve both your career and personal goals. By being assertive we can learn how to express our needs and views honestly, effectively and gracefully, without leaving a disaster in our wake. You will find tips on effective communication and body language, as well as guidance on how to handle common difficult situations, including: ' Dealing with criticism' Giving an honest opinion' Coping with intimidation' Overcoming shyness

"How women have been duped into the romantic dream--and how they're paying for it"--Jacket.

A practical reference for young girls helps them identify personal spending styles while outlining strategies for earning money, saving funds and making smart shopping choices as recommended through the quotes and tips of other girls. Original.

Every smart girl knows when to ask for advice, and this book is an indispensable companion to growing up. Addressing all those cringey questions about periods, boys and boobs that adults squirm at answering, Anita Ganeri's sensible, light-hearted advice will calm the fears of any worried young woman.

This book--now with updated content and illustrations--offers girls straight talk on what to do when it seems like everyone's wondering "who likes who?" It includes sensitive, insightful, honest advice from girls and boys on being friends, going out, breaking up,

and just being themselves. Plus, it includes tips and quizzes that lend valuable perspective on the beginning and ending of relationships.

"Where was this book when we were teenagers?" - Real Simple  
 "Helps new grads make smart, informed money decisions." - MSN-BC  
 Learn how to money in this in-depth, illustrated guide from New York Times bestselling author and financial expert Jean Chatzky, Kathryn Tuggle, and the team at HerMoney There's no getting around it. You need to know how to manage money to know how to manage life — but most of us don't!
