73KU2V - CLINTON AMIYA

This insightful account analyzes and provides context for the films and careers of directors who have made Latin American film an important force in Hollywood and in world cinema.

In the earliest years of the twentieth century, North American ballroom dancers favored the waltz or the polka. But in the 1910s, a new dance, the tango, broke onto the United States scene when Vernon and Irene Castle performed it in a Broadway musical. Rudolph Valentino, Arthur Murray, and Xavier Cugat popularized it even more in the 1920s and 1930s, and thousands of people were crowding dance floors around the country to hear the music and dance the tango. This work chronicles the history of the tango in the United States, from its antecedents in Argentina, Paris and London to the present day. It covers the dancers, musicians, and composers who were promoting it, and the tango's influence on American music. Chapters are dedicated to Vernon and Irene

Castle, Rudolph Valentino, Arthur Murray, Xavier Cugat, the Big Band and jazz singers who incorporated tangos with English lyrics into their repertoires, Juan Carlos Cobian, Osvaldo Fresedo, Francisco Canaro, Carlos Gardel, Astor Piazzolla, the influence of World War II on the tango, portrayals of the tango in the movies and ballet, and the tango recordings of Gerry Mulligan, Gary Burton, Al Di Meola, Yo-Yo Ma, and Julio Iglesias, among many other topics.

Australians have been transported to an imaginary Spain from at least the 1830s, when cachuchas were first danced on the Sydney stage. In *Take Me to Spain* John Whiteoak explores the rich tapestry of Australians' fascination with all thing Spanish, from the voluptuous sensuality of *Lola Montez* to operas featuring señoritas, toreadors and Gypsies, and from evocative silent and later Spain-themed Hollywood movies to the dazzlingly creative artistry of the flamenco dancers and guitarists who toured Aus-

tralia in the 1960s and '70s. Examining the diverse ways that Spanish music and dance have been mediated or hybridised to cater for Australian popular taste, this landmark study reveals how Hispanic traditions have become integral to the cultural history of the nation.

A unique, multidisciplinary encyclopedia covering the impacts that French and American politics, foreign policy, and culture have had on shaping each country's identity. From 17th-century fur traders in Canada to 21st-century peacekeepers in Haiti, from France's decisive role in the Revolutionary War leading to the creation of the United States to recent disagreements over Iraq, France and the Americas charts the history of the inextricable links between France and the nations of the Americas. This comprehensive survey features an incisive introduction and a chronology of key events, spanning 400 years of France's transatlantic relations. Students of many disciplines, as well as the lay reader, will appreciate this comprehensive survey, which traces the common themes of both French policy, language, and influence throughout the Americas and the wide-ranging transatlantic influences on contemporary France. Approximately 730 cross-referenced entries covering events and themes spanning 400 years of French influence in the Americas, from Canada to Guiana Extensive bibliographies, over 80 illustrations, and essays from leading scholars from both sides of the Atlantic Draws heavily on primary sources as well as the latest monographs and journal articles Experience a place the way the locals do. The author's experiences dancing the Tango in Argentina, and the relation of the violence of the dance to violences of the state and in the author's past.

This volume contains detailed information about every musical that opened on Broadway from 2010 through the end of 2019. This book discusses the decade's major successes, notorious failures, and musicals that closed during their pre-Broadway tryouts. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues.

El tango, ya centenario, tiene el privilegio de ser la musica popular mas antigua que aun goza de difusion mundial. Como el jazz, tambien el tango fue musica del mundo antes de la presente ola de musicas del mundo. Nacido a fines del siglo pasado a orillas del Rio de la Plata en un proceso de mestizaje que involucra a inmigrantes europeos, gauchos seminomades, negros liberados de la esclavitud y criollos sedentarios de la capital, el tango se mezcla sin cesar, empenandose en una variacion continua al contacto con otras culturas. En El tango nomade tangologos de varios pais es rastrean los caminos sinuosos que recorre el tango desde que deja su territorio sedentario en el Rio de la Plata para producir

nuevas ramificaciones transculturales en París, Roma, Barcelona, Madrid, Helsinki, Tesalónica, Tokio, Montreal, Nueva York.

Gardel a Barcelona i la febre del tango passa revista a una de les etapes més inexplorades del mític cantant de tangos argentí. A la dècada dels anys vint, Carlos Gardel va elegir Barcelona com a primera plataforma de llançament mundial, abans

Global Tangos: Travels in the Transnational Imaginary argues against the hackneyed rose-in-mouth clichés of Argentine tango, demonstrating how the dance may be used as a way to understand transformations around the world that have taken place as a result of two defining features of globalization: transnationalism and the rise of social media. *Global Tangos* demonstrates the cultural impact of Argentine tango in the world by assembling an unusual array of cultural narratives created in almost thirty countries, all of which show how tango has mixed and mingled in the global imaginary, sometimes in wildly unexpected forms. Topics include Tango Barbie and Ken, advertising for phone sex, the presence of tango in political upheavals in the Middle East and in animated Japanese children's television programming, gay tango porn, tango orchestras and composers in World War II concentration camps, global tango protests aimed at reclaiming public space, the transformation of Buenos Aires as a result of tango tourism, and the use of tango for palliative care and to treat other ailments. They also include the global development of queer tango theory, activism, and festivals. *Global Tangos* shows how the rise in social media has heralded a new era of political activism, artistry, solidarity, and engagement in the world, one in which virtual global tango communities have indeed become very "real"

social and support networks. The text engages some key concepts from contemporary critics in the fields of tourism studies, geography, dance studies, cultural anthropology, literary studies, transnational studies, television studies, feminism, and queer theory. *Global Tangos* underscores the interconnectedness of cultural identity, economics, politics, and power in the production, marketing, distribution, and circulation of global images related to tango—and, by extension, Latin America—that travel the world.

This is a companion volume to the Italian Catalogue, *La Voce del Padrone*, already published by Greenwood Press. This new volume provides a complete catalogue of French gramophone recordings made by the Gramophone Company Ltd. between 1898 and 1929. Each catalog entry comprises as much as possible of the following information: the original numerical catalogue number; the matrix (serial) number; the date of the recording; the name of the artist(s) involved, the title of the piece, alternative issue numbers, and occasional notes. The introduction provides an overview of the company's recording practices and cataloging systems.

This title in the American Dance Floor series provides an overview of the origins, development, and current status of Latin social dancing in the United States. * Provides information from interviews conducted with Latin social dancers in the United States * Contains photographs that illustrate the body alignment, mood, and wide variety of context of Latin social dancers, as well as Latin musicians and musical instruments * A bibliography contains entries useful for further investigation into the topic of Latin dances * Appendices indicate basic online resources for Latin social dancing in the United States and provide a filmography of

Latin dances organized according to style

Latino folklore comprises a kaleidoscope of cultural traditions. La historia del Club Atlético Atlanta, su relación con el barrio de Villa Crespo y la comunidad judía.

Né en Argentine, le tango a toujours été le véhicule de la violence et du désarroi, le reflet des rêves et des espoirs étouffés. C'est devenu le moyen d'expression pittoresque et poignant d'un peuple déchiré, qui chante la douceur amère des temps révolus et la rigueur des temps présents. Dans ce livre, Claude Fléouter nous parle de Carlos Gardel, Julio de Caro, Enrique Discepolo, Astor Piazzola... Il s'est fait l'historien, l'exégète et le témoin du tango, cet art authentique dans lequel les Européens n'ont vu qu'un air de danse.

The authoritative source for information on the people, places, and events of the African Diaspora, spanning five continents and five centuries. * More than 500 A-Z entries * Contributions from hundreds of leading scholars * Maps showing key locations in the African Diaspora

Peter Benton arrives in Buenos Aires, Argentina in June 1945 to investigate possible fraud in the local office of a foreign film distributor. In Buenos Aires, he reunites with his partner from his days in the OSS, who has been posted to the U.S. embassy. His friend

recruits him to spy on the most powerful figure in Argentina, Colonel Juan Pern, and his young mistress, Eva Duarte. Complicating the assignment is the simultaneous arrival of a former Germany army officer who is on a secret mission to deliver gold to Pern that will help pave the way for the re-birth of the Third Reich. Benton soon finds himself caught up in a dangerous game of high-stakes diplomacy, political intrigue, deceit, and betrayal, a game that not only puts his own life in danger but one that threatens the life of the young Argentine beauty with whom he falls in love. This story of suspense and romance is told against the realistic backdrop of a major turning point in the history of Argentina and its relations with the United States.

If you attend a soccer match in Buenos Aires of the local Atlanta Athletic Club, you will likely hear the rival teams chanting anti-Semitic slogans. This is because the neighborhood of Villa Crespo has long been considered a Jewish district, and its soccer team, Club Atlético Atlanta, has served as an avenue of integration into Argentine culture. Through the lens of this neighborhood institution, Raanan Rein offers an absorbing social history of Jews in Latin America. Since the Second World War, there has been a conspicuous Jewish presence among the fans, administrators and presidents of the Atlanta soccer club. For the first immigrant generation, belonging to this club was a way of becoming Argentines. For the next generation, it was a way of maintaining ethnic Jewish identity. Now, it is nothing less than family tradition for third generation Jewish Argentines to support Atlanta. The soccer club has also constituted one of the few spaces where both Jews and non-Jews, affiliated Jews and non-affiliated Jews, Zionists and non-Zionists, have interacted. The result has been an active shaping of

the local culture by Jewish Latin Americans to their own purposes. Offering a rare window into the rich culture of everyday life in the city of Buenos Aires created by Jewish immigrants and their descendants, Fútbol, Jews, and the Making of Argentina represents a pioneering study of the intersection between soccer, ethnicity, and identity in Latin America and makes a major contribution to Jewish History, Latin American History, and Sports History.

Presents a history of music during the postwar era of the 1940s and 1950s, discussing the introduction of LP albums, the demise of swing and big bands, the early popularity of rock 'n' roll, Broadway hits, country music crossovers, and the rise of Elvis Presley.

A survey of contemporary Latin American popular culture, covering topics that range from music and film to popular festivals and fashion. Like no other volume of its kind, Pop Culture Latin America! captures the breadth and vitality of pop culture in Central and South America and the Caribbean, exploring both familiar and lesser-known aspects of its unique melange of art, entertainment, spirituality, and celebrations. Written by contributors who are scholars and specialists in the cultures and languages of Latin America, the book focuses on the historical, social, and political forces that have shaped Latino culture since 1945, particularly in the last two decades. Separate chapters cover music, popular cinema, mass media, theater and performance, literature, cultural heroes, religions and festivals, social movements and politics, the visual arts and architecture, sports and leisure, travel and tourism, and language. Chronology of major developments in the cultural life of post-1945 Latin America A bibliography of the literature and electronic resources on the major forms of popular cul-

ture in each country or region

Latin American societies were created as pre-industrial colonies, that is, peoples whose cultures and racial makeup were largely determined by having been conquered by Spain or Portugal. In all these societies, a colonial heritage created political and social attitudes that were not conducive to the construction of democratic civil societies. And yet, Latin America has a public life--not merely governments, but citizens who are actively involved in trying to improve the lives and welfare of their populations. Monteon focuses on the relation of people's lifestyles to the evolving pattern of power relations in the region. Much more than a basic description

of how people lived, this book melds social history, politics, and economics into one, creating a full picture of Latin American life. There are two poles or markers in the narrative about people's lives: the cities and the countryside. Cities have usually been the political and cultural centers of life, from the conquest to the present. Monteon concentrates on cities in each chronological period, allowing the narrative to explain the change from a religiously-centered life to the secular customs of today, from an urban form organized about a central plaza and based on walking, to one dominated by the automobile and its traffic. Each chapter relates the connections between the city and its countryside, and

explains the realities of rural life. Also discussed are customs, diets, games and sports, courting and marriage, and how people work.

Tango Argentino, libro della tecnica e dei fondamenti. Il primo libro in assoluto dove vengono codificati i passi e le relative figure, con più di 700 foto esplicative per poter meglio comprendere ed effettuare le sequenze.

This two-volume encyclopedia profiles the contemporary culture and society of every country in the Americas, from Canada and the United States to the islands of the Caribbean and the many countries of Latin America.
