Work more effectively with these Working Papers! This indispensable resource contains solution forms and partially completed solution forms to all end-of-chapter problems and exercises in Weygandt's Accounting Principles, 7th Edition. These working papers demonstrate how to correctly set up solution formats. From one of the hottest author teams in accounting comes a new edition of the highly successful Financial Accounting! This edition retains the traditional procedural coverage of the previous editions along with a practical decision-making focus. Anyone who will ever be asked to prepare or use accounting information to make effective decisions will benefit from this best-

selling text.

For over 15 years, Weygandt, Accounting Principles has been praised by both instructors and students across the country for its outstanding visual design, its carefully integrated pedagogy, and its excellent writing style and clarity of presentation. Our main focus continues to be 'Student Success in Accounting' and the new seventh edition package further enables both instructors and students to achieve successful learning outcomes. With this edition, we have added two new authors, Valerie Warren and Lori Novak. They bring fresh new ideas, updates, and continue to implement challenging accounting concepts through examples that are familiar to the student with a stepped-out pedagogy that breaks down com-

plex topics making the material more manageable. This connection to their everyday lives helps build student motivation, a key driver of student time spent on assignments and ultimately their mastery of the concepts. Accounting Principles, Seventh Canadian Edition enables students to become independent and successful learners by including a variety of additional resources, more opportunities to use new technology, and new features that empower students to apply what they have learned in the classroom to the world outside the classroom. The seamlessly integrated digital and print resources to accompany Accounting Principles, Seventh Canadian Edition offer additional tools for both instructors and students in order to help students succeed.

Edition after edition, Accounting Principles consistently rates highest in customer satisfaction! The new Seventh Edition continues to effectively address the issues that both instructors and students find important: student success, student motivation, student problem-solving skills, student decision-making skills, and technology to assist teaching and learning. In preparing the new Seventh Edition, the authors surveyed the market, talked personally to instructors, and held focus groups with professors and students. They heard again and again that the biggest challenges students continue to face are to become motivated, to learn how to study, and to manage their tasks. With this input, the authors have fine-tuned and improved one of the most successful Accounting Principles texts ever published!
