Active Armed Offender Incidents - National Retail Association

The term Active Armed Offender (AAO) encapsulates the violent criminal behaviours of an armed offender/s and is not defined by the choice of weapon, tool or device. The QAS in conjunction with the Queensland Police Service (QPS), have identified

Armed Offender on Campus/Active Shooter. One of the most dangerous situations that our Campus will ever face is the presence of an armed offender or even worse, an active shooter. Australia prides itself in exercising an extremely tight gun control regime, but there have been rare incidences of these types of situations occurring.

Interviews with active armed robbers revealed that these offenders experienced a large number of victimizations that they did not report to the police.¹ Often these victimizations were retaliation for earlier robberies and sometimes produced an escalating series of crime sprees.

ACTIVE ARMED OFFENDER GUIDELINES FOR CROWDED PLACES Introduction. It is the responsibility of both Government and private sector stakeholders to work collaboratively to ensure that integrated and effective plans and arrangements are in place to prevent or reduce the impact of these incidents.
