Advanced IQ Tests is particularly useful if you are facing graduate or managerial selection tests but is also for those who just want to pit their skills against some of the toughest questions available.

IQ tests are tricky things - and we're not just talking about the questions. The test, originally created by French psychologist Alfred Binet in the early 1900s, is often criticised for its flawed and limited way of 'measuring' intelligence. But, that doesn't mean they're not fun to do. This latest offering from Playbuzz quiz creator Terry Stein is something of a doozy.
