What is the life of an average corporate employee like? It's a mind-boggling monotonous routine. As the decades pass, you can almost feel yourself turning into a robot: wake up, go to work, behave like a robot, come back home; next day, repeat! If you are that person, you must occasionally wonder to yourself whether there's an alternative. Could there be something else out there that you could put your time into and make money and at the same time liberate yourself? Maybe you have thought about opening a business in your city. But then you need capital, and you could end up putting in more hours than you thought, and worse still, make a loss. If there's one business opportunity that suits people who are stuck in a rut (and anyone else who loves money and freedom) is affiliate marketing. This concept became popular thanks to pioneer internet businesses like amazon.
