 If you have little text and lots of space, this will be easy. It's simply a matter of picking a style you like,

drawing the letters on the graph paper so you can center it vertically and horizontally, then stitching it. Not sure if your letters will fit? Select the cross stitch alphabet you like most and is most likely to fit. If your stitching area is tall and narrow, select a narrower alphabet so that you do not end up with only a word or two per line.
