This book is my personal experience about making a living from Amazon affiliate program. I wrote it to teach you step by step how I make a consistent \$20 to \$40 daily income from the Amazon associate program. I'm making a bold claim right now. If you read and implement what you're going to learn in my book, you too will start making a consistent and passive \$20 to \$40 daily income from your Amazon Associates account. All you need is at least one Amazon niche website. Like I do in all my books, I provide after sales support to help you further if you find out you need further assistance. I had to write this book to grant the numerous requests from friends and family asking me to teach them how I'm able to pull off so much money from just one Amazon niche site. I started this website with zero back links, zero social following and zero authority on Google and grew it to a \$20 to \$40 daily income source. So if you're eager to copy my strategy and make some decent bucks for yourself then order this book. You can easily replicate the strategy to make more Amazon niche sites if you wish.

This book is a guide for both new and existing affiliates of the Amazon Associates Program that are looking for reliable way to build WordPress websites to promote products to refer sales for commissions. It was originally created for a live Amazon affiliate coaching webinar series that had 12 classes. Each of those 12 classes is now a main chapter of this book. It is a complete tutorial on how to build your own Amazon affiliate website without having technical knowledge or web design experience. It is also a first-hand guide on the construction of the website built for the live trainees, so you actually get real-life examples and have a real website you can visit to use as a reference. Each main chapter begins with an introduction, summary and a checklist. The checklist is excellent to use to ensure you have completed all of the main steps for that particular class with the construction of your own website. You can also find two pages for personal notes after each checklist, so you can add your own info as you progress. Proceed through all of the sub-chapters for the first class. As you read through the lessons, try to work along with them on your computer. Complete the checklist for each class before going on to the next class. After you are done with all 12 classes and this book, you will not only have the knowledge you need to build Amazon affiliate websites, but you will also have your first site completed and running already! Simply repeat the process to make more sites - the more sites you make, the better your monthly earning potential.

An Amazon affiliate business has to sound like the best idea in the world to anyone serious about making a living from online sources, and we dare to say that perhaps it sounds too good to be true in most cases. You will find lots of people that have become successful amazon affiliates and are making five and six figures salaries from their affiliate websites alone, and they have good reasons to be hyped about the U turn that their lives made thanks to the amazon associates' program. And maybe that is why many people think that, really, an amazon affiliate business is too good to be true. What those people do not realize is that building an amazon empire the right way can be a monumental task at first, especially if you are not tech savvy. But it pays off very well in the end, and in this chapter, we are going to show the elements that have allowed many people to leave their day jobs by building successful amazon affiliate businesses!

Affiliate marketing is one of the most common ways that many people start building passive income streams & it's easy to see why this may be the case. Essentially, as an affiliate marketer you're going to promote the products that other companies are selling and, assuming you do your job correctly, you then pocket a commission each time someone uses the information you provided to actually pull the trigger & buy something. That's really all there is to it. You simply find a product, discuss what it's you like about it in a compelling way that others respond to & make sure to give your target audience plenty of opportunities to purchase the product for themselves. One of the easiest and fastest ways to create an additional stream of revenue from online sales is through an Amazon affiliate website. Although it's more the exception to the rule, some affiliates even earn six-figure incomes. "Realistically, if you're a full-time online business you'll monetize in several different ways, while the average person can earn a few hundred to maybe a couple thousand dollars," said Brian T. Edmondson, an internet income expert and coach based in Levittown, PA. Building your own site is low-cost, requires very little effort, and, in most cases, only takes a day to set up. Launching an affiliate site, however, is just the first step. The challenge is attracting the right traffic that will turn into product sales once a consumer clicks through to Amazon. The best results come from choosing the right niche-don't do what everyone else does. Focus on these methods to increase your odds of success Many explicit guides are available on affiliate marketing if you search online. You can study the ins and out of money-making online and have your way of beginning. We are here to discuss only how to promote Amazon affiliates if you're already involved with this program. So I've decided to make this book to help answer any questions which may arise if you decide to take on this business venture. If you do a simple Google search you will find many discussions around the internet regarding the viability of the Amazon affiliate program.

Twenty Ways To Make Money With Amazon! One thing that is great about Amazon is that it is like 'one stop shopping.' You send them to the site - they buy 'your' advertised item and then they shop some more - you get paid. Or if they leave the site but come back within 24 hours you still get your commission. So let's look at an example. You send a potential customer to the site because they are going to buy a 'book' you promoted. When they get there they not only find buy the book they buy a headset, and then finish their purchase with a new phone. Now you'll get paid commission on all of those items. Whether you are new to affiliate marketing or been around for some time. If you find yourself struggling, you have just landed at the right place, because by the time you are finished reading this article, you will be ready to maximize your income with the right affiliate program. It is time you learned why Amazon Affiliate Program is better than the others.
