Bridging the gap between historical, empirical, and theoretical research, American Political Thought (APT) is the only journal dedicated exclusively to the study of American political thought. Interdisciplinary in scope, APT features research by political scientists, historians, literary scholars ...

The unavoidable nature of American politics allows its influence to extend beyond economics. In many ways, American politics inadvertently force Canadians to analyze their own values. Each controversial headline offers Canadians an opportunity to think, but little opportunity to reprimand the wrongs of their imposing ally.

It Takes a Submission: Gendered Patterns in the Pages of AJPS. Kathleen Dolan and Jennifer L. Lawless. When we became editors of the American Journal of Political Science on June 1, 2019, we stated that one of our goals was to understand the patterns of submission and publication by authors from underrepresented groups. We begin that examination by presenting data on submission and publication ...

American Political Thought | List of Issues

The existence of American princelings, regardless of their political affiliation, is corrosive to our democracy. As Joe Biden himself once said, "corruption is a cancer." The longer we ignore such corruption and abuse of power by our political elites and their families, the more divided America will become, and the harder it will be to keep our nation intact.
