from new Chapter Reviews that detail key information in a handy list format. Benefit from an increased focus on pathology and imaging, including updates to conform pathology content to the new American Board of Urology requirements.

Includes Part 1, Number 1: Books and Pamphlets, Including Serials and Contributions to Periodicals (January - June)

Ten years after one of the most polarizing political scandals in American history, author Ken Gormley offers an insightful, balanced, and revealing analysis of the events leading up to the impeachment trial of President William Jefferson Clinton. From Ken Starr's initial Whitewater investigation through the Paula Jones sexual harassment suit, to the Monica Lewinsky affair and Brett Kavanaugh's role in the subsequent inquiry, *The Death of American Virtue* is a gripping chronicle of an ever-escalating political feeding frenzy. In exclusive interviews, Bill Clinton, Ken Starr, Monica Lewinsky, Paula Jones, Susan McDougal, and many more key players offer candid reflections on that period. Drawing on never-be-

fore-released records and documents—including the Justice Department’s internal investigation into Starr, new details concerning the death of Vince Foster, and evidence from lawyers on both sides—Gormley sheds new light on a dark and divisive chapter, the aftereffects of which are still being felt in today’s political climate.

The Resource Guide to Getting Published
A unique guide to publishing for Christian readers, the Christian Writers’ Market Guide 2008 offers the most proven and comprehensive collection of ideas, resources, and contact information to the industry. For more than twenty years, the Christian Writers’ Market Guide has delivered indispensable help to Christian writers, from a CD-ROM of the full text of the book so you can easily search for topics, publishers, and other specific names; to up-to-date listings of more than 1,200 markets for books, articles, stories, poetry, and greeting cards, including forty-three new book publishers, fifty-one new periodicals, and fifteen new literary agencies. Perfect for writers in every phase, this is the resource you need to get noticed—and published. “An indispensable tool. The reference you have to buy.” Writers’ Journal “Essential for anyone seeking to be published in the Christian community.” The Midwest Book Review “Stands out from the rest with its wealth of information and helpful hints.” Book Reviews for Church Librarians Completely updated and revised the Guide features more than...
1,200 markets for the written word * 675 periodicals * 405 book publishers * 240 poetry markets * 114 card and specialty markets * 37 e-book publishers * 120 literary agents * 332 photography markets * 98 foreign markets * 98 newspapers * 53 print-on-demand publishers * writers’ conferences and groups * pay rates and

submission guidelines * more resources and tools for all types of writing and related topics.

Each unit includes guided reading, vocabulary building, skillbuilder practice, geography applications, primary sources, literature selections, reteaching activities, enrichment activities for gifted and talented students, history workshop resources and answer key.

The perfect complement to existing textbooks on American government, Congressional Quarterly’s Guide to Current American Government presents significant and timely articles selected from CQ’s Weekly Report to provide up-to-date examinations of current issues and controversies. Following most textbooks on American government, this book is divided into four sections: foundations of American government, political participation, government institutions, and politics and public policy. By reprinting articles largely as they appeared originally in the Weekly Report, the Guide’s editors provide a handy source of information about contemporary political issues. The date of original publication is noted to give the reader a time frame for the events described. And, page number references to related and background articles in the Weekly Report and the CQ Almanac are provided to facilitate additional research on topical events.

Presents by subject the same titles that are listed by author and title in Forthcoming books.

Study Guide to Geriatric Psychiatry is a question-and-answer companion that allows you to evaluate your mastery of the subject matter as you progress through The American Psychiatric Publishing Textbook of Geriatric Psychiatry, Fifth Edition. The Study Guide is made up of approximately 255 questions divided into

25 individual quizzes of 8–17 questions each that correspond to chapters in the textbook. Questions are followed by an answer guide that references relevant text (including page numbers) in the textbook to allow quick access to needed information. Each answer is accompanied by a discussion that not only addresses the correct response but also explains why other responses are not correct. The Study Guide's companion, *The American Psychiatric Publishing Textbook of Geriatric Psychiatry, Fifth Edition*, has been thoroughly reorganized and updated to reflect new findings, with expanded treatment options and considerations and future directions, such as translational research, enhancing the text's utility while maintaining its reputation as the foremost reference and clinical guide on the subject.

Emotion regulation skills should be mastered by early childhood, but many enter school with deficits that may not have been addressed effectively or early enough. This vital new text presents in-depth background and practical information on the subject so school professionals can craft interventions that are developmentally appropriate and timely. It also offers practical tools that can be taught to children and shared with parents and teachers.

Incorporate research-based reading strategies to give all your students access to the rich history of the United States. The program includes the finest scholarship and the most up-to-date maps from National Geographic.

This unique study offers a comprehensive analysis of American jurisprudence

from its emergence in the later stages of the nineteenth century through to the present day. The author argues that it is a mistake to view American jurisprudence as a collection of movements and schools which have emerged in opposition to each other. By offering a highly original analysis of legal formalism, legal realism, policy science, process jurisprudence, law and economics, and critical legal studies, he demonstrates that American jurisprudence has evolved as a collection of themes which reflect broader American intellectual and cultural concerns.

In the first part of the 20th century, a group of law scholars offered engaging, and occasionally disconcerting, views on the role of judges and the relationship between law and politics in the United States. These legal realists borrowed methods from the social sciences to carefully study the law as experienced by lawyers, judges, and average citizens and promoted a progressive vision for American law and society. Legal realism investigated the nature of legal reasoning, the purpose of law, and the role of judges. The movement asked questions which reshaped the study of jurisprudence and continue to drive lively debates about the law and politics in classrooms, courtrooms, and even the halls of Congress. This thorough analysis provides an introduction to the ideas, context, and leading personalities of legal realism. It helps situate an important movement in legal theory in the context of American politics and political thought and will be of great interest to students of judicial politics, American constitutional development, and political theory.
