The international bestseller that has helped millions of women trust in their body - and their baby - and give birth without fear Drawing on over 40 years' experience, internationally acclaimed midwife Ina May Gaskin shows you how to use the mind-body connection to help labour progress calmly and safely. In Ina May's Guide to Childbirth, she shares: - Inspiring real-life stories that show what a positive experience childbirth can be - What happens during labour and the true capabilities of the female body - How to create a comfortable environment for birth in any setting - Tips for maximising your chances of a relaxed and joyful birth experience Read by millions of women around the world, this reassuring and practical guide will take the fear out of childbirth and restore your faith in the power of your body. With Gaskin's timeless wisdom, you can approach birth with confidence and excitement, wherever and however it happens. First staged in 1892, the South Indian play Girls for Sale (Kanyasulkam) is considered the greatest modern work of Telugu literature and the first major drama

written in an Indian language that critiqued British colonialism's effects on Indian society. Filled with humor, biting social commentary, parody, and masquerade, the plot revolves around a clever courtesan, a young widow, and a very old man who wants to buy as his wife a very young girl. Velcheru Narayana Rao has prepared the first idiomatic English translation, with notes and a critical essay. Itself a masterpiece of Indian literature in translation, this edition makes Apparao's work available to new audiences. Moogavani Pillanagrovi (1993) is woven around the near-suicidal death of a farmer who loses his land. While the period of the plot is around the 1950s, the story revolves around the farmer's ties with his land and his inability to visualize a life without it—an issue relevant even today. The farmer's death could have been forgotten by the village, except for several puzzling incidents that crop up. Myth and reality intertwine to create a folklore around the land and the farmer. This Telugu novella was first published in 1993, during a period when Andhra Pradesh's farmers had begun committing suicide in droves. Many surprising parallels can be drawn to the pressures in agriculture and the farmer in real life and in the novel. This novella introduced what is called (in Telugu literary criticism) as magic realism—mirroring real life and yet making wide departures into the world of lore, mythic representation, and strongly rooted cultural beliefs. Kesava Reddy writes with a strong inflection of his native Rayalaseema dialect. Breaking the tradition of writing in the standard Telugu form as it is spoken and written by people from the coastal districts of Krishna and Guntur, Kesava Reddy along with several other writers began writing in his native dialect—a bold step at that time. The detail in the novel is striking. Kesava Reddy

also broke with Telugu literature (which was didactic at that time) to build on detail and cut down on dialogue. His dialogues are sparse and never interfere with the tempo built up in the story.

The question of unintelligibility does not arise with regard to books of fiction, such as the stories and novels, irrespective of how they are written. Even if a story is not understood, there is no great harm done. The problem is with the theoretical essays. Even there, there is no problem with the essays related to the natural science, if the language is simple. The real problem is with the books of philosophy! When we find the word 'philosophy' on the face of the book, we feel that 'this book is meant for the scholars, not for us,' The very word 'philosophy' at the outset will scare us immensely. When we read the word 'philosophy' on the face of a book, it does not mean that it represents 'a great truth' or 'a great science.' The contents of the book could be correct or useless or a blend of both. The logic of the book will be in accordance with the philosophy of the book. A correct one will have a correct logic, a wrong one will have a wrong logic, and a vacillating one will have a vacillating logic.

'Echo T Calling' - Towards People - Centric Governance; is all about administration, public policy, and Governance in India as narrated by a career bureaucrat with experience spanning over almost four decades. The book covers a wide array of topics ranging from "laughter is the best medicine" to "the relevance of swadeshi in the modern perspective". The author has treated the various topics in this book with an innate simplicity that is likely to be of interest to each and every reader who is connected to the present and concerned about the future of

India. From the Author's Desk: The book is not just a bunch of musings on seemingly unconnected topics but has a heart and soul of its own bringing out a fresh perspective on the issues faced by a common person in their everyday life. The expectation is that the readers will find the book stimulating and largely relatable. I hope that it inspires them to ponder upon and attempt to find solutions to the various issues discussed in this book. - Shailendra Joshi

This book is a "best of" collection of tips and exercises to help nurture young writers and strengthen core skills. Since each activity has been tried and tested in thousands of classrooms, you'll find successful methods for turning even the most reluctant students into effective, powerful writers. Writing proficiency is more important than ever, especially with the demands of standardized testing and the rigors of new standards impacting our schools. This classroom-tested manual, created from a combination of the author's extensive in-class experience and acclaimed research in neural science and developmental biology, addresses all facets of writing competency. The content links to common core curriculum elements in state language arts standards for every state. Written by experienced educator and author Kendall Haven, the work features 13 innovative writing tips and 30 engaging activities for helping students become better writers. The first part of the book covers writing hints and techniques, while the second half contains core content activities for coaxing the best writing out of your students. A short introductory section lays out the five steps of effective student writing. Lastly, the text reveals how teachers--even those from non-literary backgrounds--can successfully teach and grade writing. Features eight essential el-

ements of effective narratives Links tips and activities to the Common Core State Standards Includes the five steps of effective writing Contains tools, proven activities, and research-based concepts to strengthen writing proficiencies in the classroom

Because my questions made Amir uncomfortable, he pronounced talaq just like that on the wife who had abandoned everything for him because his religion gives him that privilege. Where do I now stand, sir? Do you have any solutions for me?' Lakshmi, a rebellious, free-spirited and intelligent film-maker, breaks ties with her staunchly Gandhi an father to marry Amir, the man she loves. She even agrees reluctantly to Amir's request that she convert to Islam, as a formality and change her name to Razia. However, she is shocked to discover that her husband is not the open-minded, progressive individual he claimed to be. For after marriage, Amir takes his family's side in trying to force her to follow the more rigorous tenets of their faith. This sets her off on a personal journey into India's history to uncover the many layers of religion, caste and creed. Her quest leads her to the many parallels in the narratives between the past and the present and she gradually finds that though much has changed in Indian society over the centuries, much remains the same. The second historical novel by celebrated Kannada author S.L. Bhyrappa, translated for the first time into English by Sandeep Balakrishna, Aavarana: The Veil raises pertinent and searching questions about religion, liberalism and identity and highlights the importance of unshackling oneself from the bonds of false knowledge.

The book presents a comparative study of the human rights abuses and legal

problems faced by members of the third sex in India, complications regarding marriage adoption and sexual status, with relevant and important documents, petitions field challenging the criminalization of homosexuality, and extracts from international human rights treatise for human rights activists, social scientist, lawyers, concerned citizens.

GETTING RICH IS NOT JUST ABOUT LUCK; HAPPINESS IS NOT JUST A TRAIT WE ARE BORN WITH. These aspirations may seem out of reach, but building wealth and being happy are skills we can learn. So what are these skills, and how do we learn them? What are the principles that should guide our efforts? What does progress really look like? Naval Ravikant is an entrepreneur, philosopher, and investor who has captivated the world with his principles for building wealth and creating long-term happiness. The Almanack of Naval Ravikant is a collection of Naval's wisdom and experience from the last ten years, shared as a curation of his most insightful interviews and poignant reflections. This isn't a how-to book, or a step-by-step gimmick. Instead, through Naval's own words, you will learn how to walk your own unique path toward a happier, wealthier life.

Najeeb's dearest wish is to work in the Gulf and earn enough money to send back home. He achieves his dream only to be propelled by a series of incidents, grim and absurd, into a slave-like existence herding goats in the middle of the Saudi desert. Memories of the lush, verdant landscape of his village and of his loving family haunt Najeeb whose only solace is the companionship of goats. In the end, the lonely young man contrives a hazardous scheme to escape his desert prison. *Goat Days* was published to acclaim in Malayalam and became a bestseller. One of the brilliant new tal-

ents of Malayalam literature, Benjamin's wry and tender telling transforms this strange and bitter comedy of Najeeb's life in the desert into a universal tale of loneliness and alienation.

English speakers may read for the first time a previously hidden literature of great beauty and importance, compiled and translated by one of the foremost scholars of the literature of twentieth-century India. Richly appealing, sensitively and masterfully translated, surprisingly accessible, and adeptly organized, these poems from the Telugu language of southern India will find in this groundbreaking anthology the wider international readership they deserve and a place in the worldwide emergence of India's vernacular literature. Velcheru Narayana Rao is an ideal guide for the English-language reader's timely introduction to this long and vigorous literary tradition and to the generously varied poets whose accomplished, exotic, enigmatic voices speak to us here at last in the boundless tradition of all great poetry.

Welcome to the mysterious world of equity market, which is not so mysterious after all! Most investors get it wrong when it comes to understanding the nuances of the equity market. It is not because they are ignorant or lack the requisite skills to understand the factors affecting this market, but mainly because they get misleading information from market players and financial intermediaries. Consequently, these entities thrive and flourish, leaving the investor wringing his hands, wondering where all the money has gone. No more lies! This book is your window to the equity market from a completely different perspective and earn your fair share of stock market return. *Werewolves* takes the form of an illustrated journal that plunges readers into the

life of a high school girl-turned-werewolf as she makes her transformation. After Alice and her brother are bitten by what they assume are large dogs, her journal/sketchbook becomes a place for her to record the changes they start to experience her socially awkward brother falls in with some creepy new friends, and she surprises herself with new strengths and instincts and a suddenly nonvegetarian interest in raw steak. Joining the werewolf pack that bit them, they discover the pleasures and dangers that come with the cycles of the moon, including threats from "hunters" who stalk them, a researcher seeking a cure, and escalating violence within the pack itself. With a fresh take on the lore and legend, *Werewolves* gives fans a ripping tale to sink their teeth into.

The Human mind, so involved in worldly pursuits, finds it very difficult to withdraw itself despite getting knocked about by the world. A mind, thus preoccupied, knows not how to withdraw. At such times, only God or a man of discrimination can help us see light. The Sanat Kumaras approached Lord Brahma, the Creator, with such a problem. Lord Brahma confessed to being to preoccupied, and therefore, had no solution to offer. The supreme Lord then appeared as 'Hamsa' - the Swan, and gave the knowledge of the Truth. This episode of *Shrimad Bhagavatam* is called *Hamsa Gita*. The lucid commentary by Swami Tejomayananda helps us understand the problem and seek a practical solution, thereby giving us a head start towards our quest for Truth.

A restlessness born of guilt and despair leads Ravi to embark on a journey that ends in the remote village of Khasak in the picturesque Palghat countryside in Kerala. A land from the past, potent with dreams and legends, enfolds the trav-

eller in a powerful and unsettling embrace. Ravi is bewitched and entranced as everything around him-the villagers; their children whom he teaches in a makeshift school; the elders who see him as a threat; the toddy-tappers; the shamans-takes on the quality of myth. And then reality, painful and threatening, begins to intrude on the sojourner's resting place and Ravi begins to understand that there is no escape from the relentless dictates of karma... Often poetic and dark, always complex and rich, *The Legends of Khasak*, O.V. Vijayan's much-acclaimed first novel, translated into English by the author, is an extraordinary achievement

The society of traditional India is frequently characterized as static and dominated by caste. This study challenges older interpretations, arguing that medieval India was actually a time of dynamic change and fluid social identities. Using records of religious endowments from Andhra Pradesh, author Cynthia Talbot reconstructs a regional society of the pre-colonial past as it existed in practice.

In the heat of the city, a man is out of time: speeding in a beat-up Ford Tempo, blasting easy-listening music. Reporter Steve Everett drinks too much, makes love to his boss's wife, and has just stumbled upon a shocking truth: a convicted killer is about to be executed for a crime he didn't commit. In the cold confines of Death Row, Frank Beachum is also out of time. Ready to say good-bye to the wife and child he loves and hello to the God he still believes in, Beachum knows he did not kill a convenience store clerk six years ago. But in a few hours—if Steve Everett can't find the evidence to stop it—a needle is going to pierce Frank Beachum's skin. The killing machine is primed. The executioner is waiting. And so is the priest. Now the clock is ticking down and the race is on—between the reporter and his demons, between the system and its lethal flaws, between the last innocent man and society's ultimate crime. . . .

Presents the Indian literatures, not in isolation in one another, but as related components in a larger complex, conspicuous by the existence of age-old multilingualism and a variety of literary traditions. --

As the title indicates, this book is a critical study of an Indian epic, 'The Ramayana'. It proceeds in the same order as that of Sanskrit original consisting of : Bala kanda, Ayodhya kanda, Aranya kanda,

Kishkindha kanda, Sundara kanda, Yuddha kanda and Uttara kanda. While Valmiki's Ramayana is composed of about 24,000 slokas (verses), 'The Ramayana the Poisonous Tree' consists of 16 stories, long and short, accompanied by 11 'links' (narratives that link the stories) and 504 foot-notes that show evidence from the Sanskrit original in support of the critique. Besides the main components of the text, this book has a long 'Preface' discussing the social essence of the epic in the context of history of evolution of human society from the ancient times to the modern times. The book also offers a critical review of the works of some earlier critics of Ramayana. The authoress describes Ramayana as a Poisonous Tree because it defends the autocratic rule of the kings against the people, their imperial expansion by invading other weak kingdoms, exploitation of the poor by the rich, oppression of lower castes by upper castes, aggression of the civilized non-tribal communities against primitive tribal communities, male chauvinism against women, superstitious beliefs against the rational thinking, fathers' domination over sons, elder brothers' superiority over younger brothers and so on. She substantiated her arguments by providing hundreds of foot notes from the Sanskrit original. She characterizes the culture of Ramayana as predominantly 'feudal' in nature with an admixture of remnants of primitive 'tribal' culture. The book, it is hoped, will be of interest to both academic and non-academic circles. It is relevant to the students, teachers and researchers who are connected with such disciplines as South Asian Studies, Cultural Studies, Comparative Literature, Comparative Religions, Indology, Literary Criticism and so on. It is also relevant to the social and political activists who would like to disseminate

progressive ideas among the people who are subjected to various forms of inequality: Class, Caste, Gender, Race, Ethnicity. Ranganayakamma (born 1939) is a writer of novels, stories and essays in Telugu. She has published about 60 books.

A boy who can recall his past life. A hint of hidden treasure. An adventure in the desert of Rajasthan . . . In one of their most hair-raising escapades ever, Feluda and Topshe set out for Rajasthan on the trail of the parapsychologist Dr Hajra and Mukul, a boy who claims he remembers his previous life. On the way they meet Jatayu, an author of popular crime thrillers, who decides to accompany them. After numerous adventures, including an impromptu camel ride across the desert, they reach Mukul's Golden Fortress, where Feluda unravels the many strands of a complex case.

In this short discussion of the Irish modernist writer, the author establishes a link between the mind of James Joyce and medieval theology. He shows how Joyce's fiction was suffused by his reading of St. Thomas Aquinas, Giordano Bruno and Nicola da Cusa and the book creates a dialogue between the saint, the novelist and the critic.

Featuring roughly sixty specially commissioned essays by an international cast of leading rhetoric experts from North America, Europe, and Great Britain, the Handbook will offer readers a comprehensive topical and historical survey of the theory and practice of rhetoric from ancient Greece and Rome through the Middle Ages and Enlightenment up to the present day.

While these are important and Critical Topics Author has put a clear and easy language to Understand, Vocab Cards to understand difficult words, Latest and Updated Data to understand actual status Essays Plays an important role in competitive exams hence it's a must have book for all aspirants.

In their youth, Manni and Franzi, together with their brothers, Ziggy and Sebastian, captured Germany's collective imagination as the Flying Magical Loerber Brothers -- one of the most popular vaudeville acts of the old Weimar days. The ensuing years have, however, found the Jewish brothers estranged and ensconced in various occupations as the war is drawing near its end and a German surrender is imminent. Manni is traveling through the Ruhr Valley with Albert Speer, who is intent on subverting Hitler's apocalyptic plan to destroy the German industrial heartland before the Allies arrive; Franzi has become inextricably attached to Heinrich Himmler's entourage as astrologer and masseur; and Ziggy and Sebastian have each been employed in pursuits that threaten to compromise irrevocably their own safety and ideologies. Now, with the Russian noose tightening around Berlin and the remnants of the Nazi government fleeing north to Flensburg, the Loerber brothers are unexpectedly reunited. As Himmler and Speer vie to become the next Führer, deluded into believing they can strike a bargain with Eisenhower and escape their criminal fates, the Loerbers must employ all their talents -- and whatever magic they possess -- to rescue themselves and one another. Deftly written and darkly funny, *Germania* is an astounding adventure tale -- with subplots involving a hidden cache of Nazi gold, Hitler's miracle U-boats, and Speer's se-

cret plan to live out his days hunting walrus in Greenland -- and a remarkably imaginative novel from a gifted new writing talent.

An encyclopedic study of a crucial period of Andhra history by a highly respected academician and a scholar of high repute. The first volume comprehensively deals with the political history of the subsidiary dynasties in Medieval Andhradesa, tracing their ancestries, fixing their genealogies and chronology.

So often, it's the simplest acts of courage that touch the lives of others. Sudha Murty-through the exceptional work of the Infosys Foundation as well as through her own youth, family life and travels-encounters many such stories . . . and she tells them here in her characteristically clear-eyed, warm-hearted way. She talks candidly about the meaningful impact of her work in the devadasi community, her trials and tribulations as the only female student in her engineering college and the unexpected and inspiring consequences of her father's kindness. From the quiet joy of discovering the reach of Indian cinema and the origins of Indian vegetables to the shallowness of judging others based on appearances, these are everyday struggles and victories, large and small. Unmasking both the beauty and ugliness of human nature, each of the real-life stories in this collection is reflective of a life lived with grace.

Here is the first translation into English of the Basava Purana, a fascinating collection of tales that sums up and characterizes one of the most important and most radical religious groups of South India. The ideas of the Virasaivas, or militant Saivas, are represented in those tales by an intriguing mix of outrageous excess and traditional conservatism.

Written in Telugu in the thirteenth century, the Basava Purana is an anthology of legends of Virasaiva saints and a hagiography of Basavesvara, the twelfth-century Virasaiva leader. This translation makes accessible a completely new perspective on this significant religious group. Although Telugu is one of the major cultural traditions of India, with a classical literature reaching back to the eleventh century, until now there has been no translation or exposition of any of the Telugu Virasaiva works in English. The introduction orients the reader to the text and helps in an understanding of the poet's point of view. The author of the Basava Purana, Palkuriki Somanatha, is revered as a saint by Virasaivas in

Andhra and Karnataka. His books are regarded as sacred texts, and he is also considered to be a major poet in Telugu and Kannada. Originally published in 1990. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
