Amulet: The Stonekeeper, is the heart breaking story of Emily and Navin. They've just suffered a tremendous loss when they move to a new city and end up, for the moment, losing someone else they love. We see them battle the unknown to find what they desire so badly; we see them grow up.

A sinister tentacled monster draws the mother into a hidden underground world and of course, with the help of the Amulet, Navin and Emily have to follow. They quickly discover a mechanical rabbit, a giant robot and a house with legs. This book was really fun to read and the illustrations were, at times, incredible.
