FRANCESCA'S STORY In every life there is a turning point. A moment so tremendous, so sharp and breathtaking, that one knows one's life will never be the same. For Michael Stirling, London's most infamous rake, that moment came the first time he laid eyes on Francesca Bridgerton. After a lifetime of chasing women, of smiling slyly as they chased him, of allowing himself to be caught but never permitting his heart to become engaged, he took one look at Francesca Bridgerton and fell so fast and hard into love it was a wonder he managed to remain standing. Unfortunately for Michael, however, Francesca's surname was to remain Bridgerton for only a mere thirty-six hours longer—the occasion of their meeting was, lamentably, a supper celebrating her imminent wedding to his cousin. But that was then . . . Now Michael is the earl and Francesca is free, but still she thinks of him as nothing other than her dear friend and confidant. Michael dares not speak to her of his love . . . until one dangerous night, when she steps innocently into his arms, and passion proves stronger than even the most wicked of secrets . . .

It's not much time, and to do it right she needs a guide familiar with London's darker corners. She needs . . . a Scoundrel She needs Cross, the clever, controlled partner in London's most exclusive gaming hell, with a carefully crafted reputation for wickedness. In 1816 London, Kendra Donovan tries to track down a missing man, but also finds trouble brewing closer to home in the fifth book in Julie McElwain's riveting time-travel mystery series. When Kendra Donovan is approached by Mrs. Gavenston with an unusual request—to find her business manager, Jeremy Pascoe, who recently vanished—the FBI agent is eager to accept the challenge. To Kendra's way of thinking, spending her time locating a missing person suits her more than perfecting her embroidery, painting watercolors, practicing on the pianoforte, or any of the other activities that are socially acceptable for young ladies in the early nineteenth century. Unfortunately, the missing person's case turns into a murder investigation after Kendra finds the man stabbed to death in a remote cottage that he'd been using as a writer's retreat. Everyone who knew him says that Pascoe was a fine fellow. So who hated him enough to kill him? Seeking the answer to that question plunges Kendra into the world of big business, as Mrs. Gavenston happens to run one of the largest breweries in England. And if there is one thing Kendra knows hasn't changed, it's that big business means big money . . . and money is always a motive for murder. While Kendra works to sift through the truth and lies swirling around Mr. Pascoe's life—and death—her world is rocked closer to home when a woman arrives claiming to be the Duke of Aldridge's presumably dead daughter, Charlotte. It is a distraction Kendra cannot afford, not when there is a killer lurking in the shadows who will do anything to keep the truth from being exposed.

He might be back from the dead, but it's Rose who is suddenly feeling very, very much alive.
