*Practice supervisor preparation*

The practice supervisor should be able to think about their own previous and current experience, scope of practice, education and training and ways that this may help them to carry out their role. They should also be able to think about how they may want and need to develop their skills, and what additional training they may need.

Buy An Introduction to Supervisory Practice in Human Services 01 by Dolgoff, Ralph (ISBN: 9780205405503) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders.
