What currently inspires you? I'm inspired by process and the act of making, its ritualistic and repetitive nature. In addition, mapping out space, marking time and form are central themes. Ideas are often developed in response to, or created specific to a moment, visualising and making time a tactile and tangible object.

#### Richard McVetis: The act of making - TextileArtist.org

Don't ever just explain how you make decisions in general and then stop. You should always try to share a specific story with a great outcome. Talk about the situation and challenges, why you chose the decision you did, and why. And then finally – share the great result it brought to your team/company!
