Reviews for Another Forgotten Child: "...a heartbreaking story, but does show that childhood experiences of despair and neglect can be turned around....One of the most poignant moments in the book is the conversation Cathy has with Aimee's mother, Susan, where it is clear that she isn't a 'bad' person, but is herself the victim of her past."

Another Forgotten Child is a heartbreaking, but also a heartwarming story about eight year old Aimee. Aimee has endured eight long and suffering years with her drug dependent mother in a flat. Not only did Aimee live with filth all around her, but she'd also been experiencing mental and physical abuse.
