Anxious Masculinity in Early Modern England. To recent studies of Renaissance subjectivity, Anxious Masculinity in Early Modern England contributes the argument that masculinity is unavoidably anxious and volatile in cultures that distribute power and authority according to patriarchal prerogatives. Drawing from current arguments in feminism, cultural studies, historicism, psychoanalysis and gay studies, Mark Breitenberg explores the dialectic of desire and anxiety in masculine subjectivity ...

Anxious Masculinity in Early Modern England (Cambridge ...

Breitenberg returns to, and deepens, our understanding of early modern masculinity through a study of selected texts. His thesis is that 'masculinity is inherently anxious' in the period precisely because of the gendered inequality upon which patriarchal social and institutional structures are built.
