Read Or Download Apple Ipad Help Guide For FREE at [THEDOGSTATIONCHICHESTER.CO.UK](http://THEDOGSTATIONCHICHESTER.CO.UK)

iPad Support iPad Features. Click here and learn more about the top features of the iPad or view our Guided Tours and learn more about this revolutionary device. iPad Workshops. Check out the free workshops at Apple Store locations: Getting Started, which covers the basics and Going Further, where you'll discover even more fun things about your iPad. Technical Support

Whether you've just got an iPad, iPad Air, iPad mini, or iPad Pro, there are a few steps to getting started. We've got guides for all the steps you need, from the first "Hello" to downloading the best apps and game, setting up your email and calendar accounts, getting FaceTime and Messages ready for communication, setting up Face ID, and more.

The first lesson deals with the actual iPad, including what comes in the box and what that circular button at the bottom does and the basics of the iPad's user interface. You will also learn how to find the web browser so you can surf the Internet, how to play music on the iPad, how to buy music and movies from Apple and how to boot up the App Store so you can start downloading apps.

The GarageBand User Guide for iPad is the official manual covering how to use Apple's GarageBand for iPad to play, record and share your music.

It's worth reiterating that an iPad is a type of tablet made by Apple, and not a term for all tablets. iPads have a specific set of features that are similar across all models. These include the software; all iPads run the iOS operating system.
