Amazon.com: the art of procrastination

"The Art of Procrastination is a gem—its practical wisdom as spot-on as its humor. Now that I've devoured this hilarious and insightful tome, I not only know that I'm a structured procrastinator, but I've also picked up some invaluable tips on how to fool myself into being more productive, which to put to use someday."

The Art of Procrastination - Workman Publishing

A Stanford professor argues that procrastinating isn't so bad--as long as you do it right. But according to a new book, that's the entirely wrong way to look at the tendency to put things off until the last possible minute. John Perry, a professor of philosophy at Stanford University and the author of The Art of Procrastination,...

Don Marquis Quotes. Procrastination is the art of keeping up with yesterday.

Don Marquis - Procrastination is the art of keeping up...

The art of procrastination is something that I mastered in college. I think everyone who attends college experiences this same phenomenon at some point during their 4-year stint. I was working and schooling, and taking care of life...I worked out my timing so that I was always ready for a test, a final exam, or to turn in a paper... right on time .
