Q2Y69L - JOURNEY BRYCEN

Respected by generations of skilled workers, Audel Millwright's and Mechanic's Guide is the only trade manual to cover maintenance and troubleshooting for all the mechanical trades in a single volume. Now available in hardcover, it covers the newest equipment on shop floors as well as older machinery, sometimes more than 30 years old, for which little maintenance and repair information remains available. The Audel name has long been associated with trades books that make sense and give the craftsperson the right information

quickly and in the most practical manner. The prior edition of Millwrights and Mechanics Guide is often called the Bible of the Mechanical Trades.
