My book encapsulates information about how lies can ruin lives and also may lead to possible death. There are many weaknesses in a humans life; and to err is human. There are many reasons to be promiscuous, but one of the reasons for a promiscuous life is if you have a weakness in your life that makes you vulnerable. I believe there are two ways to get sexually active or turned on, • One way is through two people who are attracted to each other, coming together and touching. • The other, is by the influence of

a sexual stimulant Something as simple as unwanted sexual stimulant, could lead to a promiscuous life which again may or may not lead to sexually transmitted disease, consequently leading to death. I hope this book is enlightening and helpful to the reader.

A happy, successful, God-pleasing life comes in a variety of packages. "And contrary to what our churches, married friends, society, and nosy Aunt Marge may tell us, that includes singleness." In this up-front book packed with girl talk and plenty of pep, Camerin Courtney reveals how she transformed from a self-conscious single girl to an I-am-single-hear-me-roar woman. While she admits that she still has "singleness stinks" days, Courtney doesn't indulge in pity parties or offer readers a guide on finding Mr. Right. *Table for One* is, instead, an optimistic, up-beat look at the many emotions, expectations, joys, frustrations, and privileges of singleness. It shows how to dive into God's plan and purposes for this phase of life—whether it lasts for four years or forever. Fun and encouraging sidebars sprinkle the text, covering everything from must-see movies to a list of great things about singleness (i.e., "If we buy floral sheets, no one complains.") This savvy, girlfriend-to-girlfriend guide to singleness will delight and inspire single women. It offers great insight for friends, families, and church leaders who want to encourage them as well.

"The Strange Case of Dr. Jekyll and Mr. Hyde" Stevenson's famous exploration of humanity's basest capacity for evil, has become synonymous with the idea of a split personality. More than a moral tale, this dark psychological fantasy is also a product of its time, drawing on contemporary theories of class, evolution, criminality, and secret lives. Also in this volume are "The Body Snatcher," which charts the murky underside of Victorian medical practice, and "Olalla," a tale of vampirism and "The Beast Within" which features a beautiful woman at its center.

DO YOU WANT TO GET WELL? The power to heal—physically, mentally, emotionally, spiritually—is in God's hands. But the choice to be healed is yours. Everyone, at some level, needs healing. You may have prayed for healing many times, for many years. Perhaps you have lived with your brokenness so long that you have become accustomed to it. Maybe you wonder just when God is going to take all the hurt away. He can. But you also must choose to let the hurt go and let the healing begin. In this special edition of *Healing Is a Choice*, author Stephen Arterburn offers a unique combination of book and workbook, outlining ten choices crucial to receiving healing. Embracing these choices means rejecting the lies we often tell ourselves. These are not hoops God requires you to jump through to earn your miracle; they form, instead, the journey He desires for you. He can—and will—walk with you. But you must put one foot in front of the other and choose to let the

hurt go and let the healing begin. "His Word affirms that God wants us to experience His healing, but many times we make choices that stand in the way. *Healing Is a Choice* is a helpful resource that lays out the path of healing God's way." — JACK HAYFORD Founding pastor, The Church on the Way, Van Nuys, CA "When we look back at the past turns and twists in the pathways of our lives, we can see significant choices we made, which helped create the lives we have now. Stephen Arterburn has provided us with a guide for making the right decisions today to provide a redemptive path for tomorrow." —JOHN TOWNSEND Coauthor of the bestseller *Boundaries* "I am asking you to give up your life as you know it so that you can find the life God has for you. Take hold of your future today and make the choices that will lead to your healing." —STEPHEN ARTERBURN "He heals the brokenhearted and binds up their wounds." —Psalm 147:3
