Prayer is effective when we observe biblical proceedings and respect the laws of God; it is warfare against the enemy of our life and destiny. Curses can be defeated and destroyed when we submit ourselves to scriptural truth. Seeking solutions to matters that are curse-oriented demands that one engage the enemy involved in warfare. Wars cannot be fought to finish instantly without major preparations, and the enemy cannot be defeated or destroyed without effective strategies. For those facing this type of conflict Strategic Deliverance Solutions: Discover and Destroy Ancestral Curses contains the essentials for a rewarding prayer life. Dr. Pauline Walley-Daniels informs, trains, and equips God's army before marching us off to spiritual wars. She writes to the heart of the matter in this guide, based upon the study of the book of Esther from the Bible. She explores the meaning and the impact of curses and considers how to break and uproot curses in the realm of warfare and confrontation. Strategic Deliverance Solutions: Discover and Destroy Ancestral Curses explains how to trace the root, and source of affliction. It also teaches on how to undertake a solution-oriented mission in order to conquer the problem.

This unique book provides a thorough, field research-based description and analysis of a specifically Pentecostal Christian response to these phenomena within the Akan culture of Ghana, using interdisciplinary studies with a theological focus. In order to develop a properly safeguarded ministry of exorcism in an African context, the author examines contextualisation and suggests the integration into African Christianity of divinatory consultation, which has strong resonances with the biblical concept of prayer.

A comprehensive deliverance instruction manual.

One day when Jesus was teaching, "the power of the Lord was present for Him to heal the sick" (Luke 5:17). His same power is present in every believer today. Drawing from her experience as a worldwide healing ministry, Joan Hunter desires to help equip the church to receive and to minister God's miraculous healing in the four corners of the world. Many believers want to understand: How can I receive and retain healing? Why would God use me? What's the best way to approach someone who needs healing? How can I effectively pray for healing? The answers to these and other questions—plus practical guidance and examples—are designed to help believers fulfill the Great Commission: "Go into all the world, and preach the gospel to every creature... lay hands on the sick, and they shall recover...." (Mark 16:15, 18b).

Are you tired of failed relationships? Frustrated with the disappointments love had to offer? This book is a manual to help you prepare to become a safe place for love to rest again. Through failed relationships, we have all become broken and afraid to love. Yet we all desire to be in love again. This contradictory mindset is problematic as we cannot expect to be loved, and not love back. Throughout this book, you will be guided through identity issues, and learn how to repair the broken parts of you. Enabling you to welcome love and provide it a safe place to rest.

Is your life characterized by continual setbacks and misfortune? Does it appear as though no matter what you do, you cannot seem to obtain the blessings of the Lord? You could be living under a curse. Unfortunately, there are still many believers living under curses even though they have been legally redeemed. Just as a believer may have to fight a good fight of faith for healing, he or she may also have to fight a good fight of faith against curses. Satan may not have a legal right to enforce a curse against you, but he is an outlaw and will attempt to do so anyway. Therefore, curses oftentimes have to be broken, and you must learn how to stand in faith against those curses, keeping them from operating in your life. The promises God gives us in the Bible are not automatic. They must be believed and often fought for. You don't have to fight God for His promises; He is not keeping them back from you. But you must contend with the Adversary who is trying to prevent you from receiving and walking in God's promises. Written in the style of Prayers That Rout Demons, this second book in the series contains information about curses and sentence declaratory prayers to break the power of curses from your life.

Since curses are being precisely transferred from generation to generation, through the family bloodline and also from a person to another, from animals and objects to people and vice-versa, I have decided to put together this handbook in which I unveil the darkness behind our families and societies and deal with these particular demons and curses, common to human beings, the proper way and help educate this generation already brainwashed and afflicted by such evil and sinful cultures, in most cases led by the television, movie and music industries as well as the media outlets, magazines, books, false religions, ungodly societies and organizations, new age spirituality, etc... that have been bombarding our children and young adults with all kinds of sinful, anti-Christ demonic messages and information orchestrated, of course, by an invisible kingdom operating in the shadows that partially and conditionally rules over this planet which is known as Satan's kingdom.
