Beast of Dracula is the fourth book in the **Princess Dracula** series. This book opens up with Ruxandra living it up in 1920s New York when she's rudely interrupted by Elizabeth trying to drag her to Los Angeles to solve some grisly vampire-like murders.

Directed by Jonny Campbell. With Claes Bang, Dolly Wells, John Heffernan, Morfydd Clark. English lawyer Jonathan Harker travels

to Transylvania to meet a new client - and a legend is about to get fresh blood.

Beast of Dracula (Princess Dracula) (Volume 4) by John Patrick Kennedy (January 4, 2018)

Princess Dracula (Princess Dracula #1) by John Patrick Kennedy gave vampires a new dimension and I liked it. It was very dark but at the same time, surprisingly human. I liked that it wasn't the same old vamp book, a new twist and turn on the subject that was refreshing.

From Vampire to Beast...When Ruxandra wakes in the castle of Countess Elizabeth Bathory, she has no memory of her past and a terrible alter ego created from years of hunger: the Beast. Elizabeth Bathory promises to help Ruxandra rediscover herself and help control the Beast, in exchange for obedience while she stays with her. Now Ruxandra must face both her past and the Beast within if she is to take control of her future. And what does Elizabeth Bathory really want?

Vampire. Beast. Ruxandra once stalked the woods of Europe as a blood-hungry Beast. Now, eternally eighteen, she's determined to forget all that, to dance, drink and love her way through Jazz Age New York. Elizabeth Bathory is the only human Ruxandra ever turned - the second of only four vampires in the world.

Beast Of Dracula Princess Dracula Book 4
Dracula Prince Of Darkness is in many ways as good as the first of the Hammer Draculas. It isn't actually the first sequel they made - that being The Brides Of Dracula - but that did not have Dracula in it, it actually being another adventure for Peter Cushing's Van Helsing, the vampire hunter.

Dracula: Prince of Darkness (1966) - IMDb
