This phenomenon, known as emotional contagion, has been found to influence behavior in organizations in various ways that now are included in this book. p. 170-171 New coverage of Faultlines has been added in Chapter 8: When groups of diverse individuals break into subgroups with respect to similar characteristics, ten-

sion is created that can interfere with group functioning.

This new edition reflects recent changes in the field of organizational behavior, and has more of a hands-on orientation than previous editions. By examining factors that contribute to an ever-changing business world, it will teach managers to develop, train, and motivate high-performance employees.
