### Official Thermomix - 20 in 1 kitchen appliance | Slow ...

The Thermomix was derived from a mixer series from Vorwerk originally called "VKM5", in 1961. It had seven functions: stirring, kneading, chopping, grating, mixing, milling and juicing. The justification for the development of the heating element comes from the managing director of Vorwerk France, who around 1970 came up with the idea of designing a machine that could simultaneously blend and ...
