#1 WALL STREET JOURNAL BESTSELLER * NEW YORK TIMES BESTSELLER New York Times finance editor David Enrich's explosive exposé of the most scandalous bank in the world, revealing its shadowy ties to Donald Trump, Putin's Russia, and Nazi Germany “A jaw-dropping financial thriller” —Philadelphia Inquirer On a rainy Sunday in 2014, a senior executive at Deutsche Bank was found hanging in his London apartment. Bill Broeksmit had helped build the 150-year-old financial institution into a global colossus, and his sudden death was a mystery, made more so by the bank’s efforts to deter investigation. Broeksmit, it turned out, was a man who knew too much. In Dark Towers, award-winning journalist David Enrich reveals the truth about Deutsche Bank and its epic path of devastation. Tracing the bank’s history back to its propping up of a default-prone American developer in the 1880s, helping the Nazis build Auschwitz, and wooing Eastern Bloc authoritarians, he shows how in the 1990s, via a succession of hard-charging executives, Deutsche made a fateful decision to pursue Wall Street riches, often at the expense of ethics and the law. Soon, the bank was manipulating markets, violating international sanctions to aid terrorist regimes, scamming investors, defrauding regulators, and laundering money for Russian oligarchs. Ever desperate for an American foothold, Deutsche also started doing business with a self-promoting real estate magnate nearly every other bank in the world deemed too dangerous to touch: Donald Trump. Over the next twenty years, Deutsche executives loaned billions to Trump, the Kushner family, and an array of scandal-tarred clients, including convicted sex offender Jeffrey Epstein. Dark Towers is the never-before-told saga of how Deutsche Bank became the global face of financial recklessness and criminality—the corporate equivalent of a weapon of mass destruction. It is also the story of a man who was consumed by fear of what he’d seen at the bank—and his son’s obsessive search for the secrets he kept.

Firstly, I will prove beyond doubt that the assassination of JFK was an event based on a carefully planned script but a murder plan. The Beast was the mastermind. Even though history repeats itself; lightning does not strike twice in one place but when that happens only the Beast might be behind all this. The Beast combined three scripts of the vilest crimes in the history of mankind and superimposed all events to produce one shocking, brutal event in the history of mankind SUPERIMPOSING OF THREE HORRIFIC CRIMES INTO ONE HORRIFIC EVENT WAS THE SCRIPT FOR THE ASSASSINATION OF JFK. This is the magic trick no one has ever thought possible but the Pandora we have opened. One that answers and debunks all conspiracy theories. Welcome to Tomorrow's World Order.

Raine. I was working two jobs, mom was working three, and we still couldn't make ends meet. No matter how hard we tried we just couldn't catch up with my sister's medical bills. Right before my eyes, my mother was becoming a shadow of herself. And now Madison needed another costly medical intervention. Every time I'd read about the Wall Street fat cats, bankers, and billionaires getting richer and richer with government bailouts while half our wages went on taxes, it made me more and more resentful and bitter about the system we lived in. So... when I was offered a lot of money to take (okay, steal) something from a Russian billionaire, who had originally stolen it from another Russian billionaire anyway, I said yes. The woman who

offered me the deal made it sound easy. Her exact words were, "an in and out job." But it wasn't an in and out job. Not by a long shot. To my astonishment, I had foolishly wandered into the glamorous and dangerous world of the insanely rich. I had walked into Konstantin Tsarnov's life, a secretive, unforgiving, and sinfully handsome beast. A Standalone Full Length Romance.
