guidance for preparing their graduates to enter the workforce. A Core Curriculum Committee (CCC) was formed to oversee the development of expected BMET core competencies and recommended topics. It was intended that BMET schools that adopt or incorporate the CCC's

~~Bmet Study Guide Preparing For Certification~~

AAMI also offers a study guide, titled the

“BMET Study Guide: Preparing for Certification & Sharpening Your Skills,” which is available on CD. It includes more than 800 interactive questions and answers and allows the user to create a practice test using those questions.

Study Skills: The way to get the test score that you deserve is by proper preparation. The best preparation includes both knowing what to study and how to study. Our CBET Exam Secrets study guide will teach you what you need to know, but our Study Skills bonus will show you HOW to use the

information to be successful on the CBET test. The ability to learn faster will accelerate the progress you make as you study for the test.
