Best selling book: 'Heal your Gut - Heal your Body' For LOWEST online prices Worldwide - click here * * * * * Chris Woollams new book 'Heal your Gut - Heal your Body' tells us that, over a number of years your gut microbiome bacteria become ill, the make-up and balance of your microbiome changes and, as a result ... YOU become ill.

This is a very short little pocket booklet which will not provide any new information

than what is already described in much more elaborate detail in You Can Heal Your Life book - which is awesome. Heal Your Body booklet contains only very limited amount of text (10 pages), the rest (70 pages of it) is a list of medical problems, probable causes and suggested healing affirmations. So instead of spending your money on this little booklet, I would recommend You Can Heal Your Life book instead.
