9 Ways to Support a Partner or Spouse With Breast Cancer

Breast cancer is not good for relationships, but good relationships can be made stronger by sharing hardship. Your partner may have doubts, and miss and mourn the "old" you, just as you may be doing. But that doesn't mean he or she is prepared to trade you in.

Sexual intimacy after breast cancer is a very difficult subject to discuss. Since I'm trying to share the good, the bad and the ugly as it relates to my breast cancer journey, I need to share something that many will consider taboo. I was diagnosed with breast cancer in June of 2014. It hasn't ...

Fortunately, most women find the diagnosis makes a marriage stronger. Your fight against breast cancer truly is a battle in the medical trenches. Let your husband or boyfriend climb in the trenches...

Breast Cancer Husband: How to Help Your Wife (and Yourself) During Diagnosis, Treatment and Beyond. A unique guide, like none other on the market-packed with medical information, practical tips, psychological insight, and coping strategies-to help men help the women they love through this trying time. When Marc Silver became a breast cancer husband...

Advocate. Though she may be a fighter by nature, a woman with breast cancer is often in no shape to battle hospital bureaucracies, insensitive doctors, thoughtless nurses, or anyone else, especially you. It's your job to take her side and ask the hard questions, pound the receptionist's desk when you're being ignored, and act in her best interests.

When Marc Silver became a breast cancer husband three years ago, he learned firsthand how frightened and helpless the breast cancer husband feels. He searched in vain for a book that would give him the information and advice he so desperately sought.

First Comes Breast Cancer, Then Comes Divorce. I seek emotional help from the American Cancer Society, Gilda's Club Chicago, and the cancer wellness program. My husband accompanies me to the latter's intake appointment. He goes with me for the first appointment with my radiation and medical oncologists and the first chemotherapy session.

Husband's Guide To Support Spouse With Breast Cancer Helping your spouse to cope with breast cancer plays a crucial role in her

recovery. The National Cancer Centre Singapore (NCCS) Department of Psychosocial Oncology shares some tips.

If your spouse was just diagnosed with cancer, it is normal and natural for you both to feel shaken and scared, angry, tearful, and many other emotions. Hold each other. The most important thing you can give your spouse right now is your love. Don't be too afraid to show own feelings at this time.

When Marc Silver's wife was diagnosed with breast cancer three years ago, he was far from a perfect caregiver. He wished he had a book to help him face the challenges ahead. Drawing upon his skills as a consumer journalist at U.S. News & World Report, he has written BREAST CANCER HUSBAND: How to Help Your
