It is often the case that we take for granted, or are not fully aware of, the blessings of being born as Ahmadi Muslims. If I ponder over how Ahmadiyyat was introduced to our family, I feel a deep sense of gratitude to my father, who is the first Ahmadi in our family. But the fact that he joined the ...

History of Mardi Gras shines a light on untold stories - UOW

Bright Light is the true story of the author's training as a green beret medical specialist and his service with the top secret MACV SOG. The book reveals, for the first time, the author's firsthand accounts of dangerous black operations behind enemy lines. These dangerous missions took the author and his team within miles of Hanoi, looking for Navy pilots who were shot down over North Vietnam.

In Bright Light, the "volleyball photo" becomes a touchstone by which all sort of other reports are "confirmed." At several points in the book, the author recites reports of 10, 20, 30 Americans being held in Laos, refers to the photo, and concludes that, well, there must have been 10, 20, or 30 Americans there because here are two corroborative reports.
