[(Buddhaland Brooklyn)] [By (author) Richard C. Morais] [January, 2014]: Richard C. Morais: Books - Amazon.ca

Richard C. Morais (born October 25, 1960) is a Canadian-American novelist and journalist. He is the author of three books, including *The Hundred-Foot Journey*, which is an international bestseller and has been adapted as a film by DreamWorks.

Quotes by Richard C. Morais "there are many points in life when we cannot see what awaits us around the corner, and it is precisely at such times, when our path forward is unclear, that we must bravely keep our nerve, resolutely putting one foot before the other as we march blindly into the dark."

Morais' second novel, *Buddhaland Brooklyn*, is unfortunately similar in its narrow focus, mining more mundanity for the simple pleasure of watching different cultures interact with little at stake....
