### **Burn The Fat Body Transformation System - Tom Venuto**

The ultimate strategy is to feed the muscle with the right food and burn the fat with the right training. The right cardio is like a fat loss accelerator. There's a magic- cardio formula of frequency, intensity and duration, and when you apply it, you can crank up your fat-burning at will, without cutting more calories.

I came across this program on google searching how to burn fat and build muscle. The Webpage alone has a lot of good information. It's a long webpage packed with whats in the e-book and the different approaches to feed muscle and burn fat. So I bought it for \$35 because i really had nothing to lose, either way i would get something out of the ...

"Burn the Fat, Feed the Muscle" (BFFM) is a 337 page fat burning success manual in downloadable e-book format, jam-packed cover to cover with all the fat loss methods previously known by only a small handful of the worlds best fitness models and bodybuilders. This program contains all the information you'll ever need to help you melt away body ...
