NZNBBF - HODGES ANDREA

Not many things in life are inevitable. Even though we often fear it, change is one of the few things guaranteed in life. In fact, many business gurus argue that businesses now face increased levels of dynamic change (change upon change upon change) due to stresses in our economies, societies and natural world leading to increased volatility in the business environment.

Change is Inevitable | The Nature of Business

Business models, dynamic capabilities, and strategy are interdependent. The strength of a firm's dynamic capabilities help shape its proficiency at business model design.

12 Ways You Can Change the Dynamic at Work

Organizational change is not optional to keep pace with business. All organizations, at one time or another, face substantive modifications to some aspect of their business. Supervisors can prepare themselves to adapt successfully to a more rapidly changing business environment by following a variety of tips, as outlined above.

Dynamic business environments, such as those that companies encountered in 2008, 1980 and 1973, are characterized by fluctuating risk and instability. Heightened transparency, new technologies, globalization and political upheaval can combine to alter a company's business environment drastically.
