WUXK8Y - KEELY LOGAN

Andrew C. Wicks | Darden Ideas to Action

Wicks and his co-authors approach ethics strategically and logically; they attempt to make the case that ethical components are present in nearly every decision a business manager must make. Further, they believe that making good ethical choices is to the strategic advantage of a firm and is not just good PR.

corporateethics - YouTube

Andrew C. Wicks is the Ruffin Professor of Business Administration at the University of Virginia Darden School of Business. He is director of the Olsson Center for Applied Ethics, director of the...

Wicks specializes in ethics. He is an expert in international business ethics, corporate social responsibility and ethics in public life. Wicks' research interests include stakeholder responsibility, stakeholder theory, trust, health care ethics, total quality management and ethics, and entrepreneurship.

I HAD to use this book for my Business Ethics class. That said, I learned a LOT. I actually really enjoyed their approach to applying ethics to business, and proving what I always thought. Using a good moral compass creatively can not just be good for your soul, but in the long-term, be best for your business.
