*What is business ethics? | Institute of Business Ethics - IBE*

In simple terms, the way moral values and ethical beliefs guide the decisions of an organisation through various laws, rules, and regulations, it is called business ethics.

The definition of business ethics is the set of moral rules that govern how businesses operate, how business decisions are made and how people are treated. In business, there are many different people you have to answer to: customers, shareholders and clients.

The system of moral and ethical beliefs that guides the values, behaviors, and decisions of a business organization and the individuals within that organization is known as business ethics.

Business ethics is the application of ethical values to business behaviour. Ethics goes beyond the legal requirements for a com-

pany and is, therefore, about discretionary decisions and behaviour guided by values. The IBE aims to demystify the topic of business ethics and to make it practical and tangible. The IBE focuses on how ethical values and standards apply to the world of business.
